## PART 1260—SHARING OF INFORMATION AMONG FEDERAL HOME LOAN BANKS

Sec.

AUTHORITY: 12 U.S.C. 1440a, 4511 and 4513.

SOURCE: 78 FR 73413, Dec. 6, 2013, unless otherwise noted.

### § 1260.1 Definitions.

As used in this part:

*Non-public information* has the meaning set forth in §1214.1 of this chapter.

*Proprietary information* means trade secrets, or privileged or confidential commercial or financial information that, if shared among the Banks and the Office of Finance as provided under this part, would likely cause substantial competitive harm to the Bank to which the information pertains.

### § 1260.2 Bank information to be shared.

(a) *General.* In order to enable each Bank to evaluate the financial condition of any one or more of the other Banks and the Bank System, FHFA shall distribute to each Bank and to the Office of Finance, or shall require each Bank to distribute directly to each other Bank and the Office of Finance, such categories of financial and supervisory information regarding each Bank and the Bank system as it determines to be appropriate, subject to the requirements of this part.

(b) *Notice.* FHFA shall prepare and issue to each Bank and the Office of Finance a notice setting forth the categories of information to be distributed, which it shall review from time to time and revise as necessary to ensure that the information distributed remains useful to the Banks in evaluating the financial strength of the other Banks and the Bank System. Prior to issuing a new or revised notice, FHFA shall notify each Bank and the Office of Finance of its proposed contents and allow them a reasonable period within which to comment.

(c) *Director's orders.* The Director or his designee may issue such orders as are necessary to effect the distribution of the information set forth in the notice issued under paragraph (b) of this section and to carry out the provisions of this part.

### § 1260.3 Requests to withhold proprietary information.

(a) *General.* A Bank may request in writing that FHFA withhold from distribution, or determine that the Bank may withhold from distribution, particular information relating to the Bank that may otherwise be subject to distribution under §1260.2 on the basis that it is proprietary information and the public interest requires that it not be shared. Any such request shall identify the particular information the Bank believes should not be distributed and provide support for the assertions that it is proprietary information and that withholding it from the other Banks and the Office of Finance is necessary to protect the public interest.

(b) *Timing of requests.* (1) *General.* Unless otherwise specified as described in paragraph (b)(2) of this section, the period within which a Bank may make a request to withhold proprietary information under paragraph (a) of this section shall be as follows:

(i) For information that a Bank submits to FHFA, the request shall be delivered to FHFA no later than the time at which the Bank submits the subject information to FHFA.

(ii) For information that FHFA creates (not including compilations of data submitted by the Banks), prior to distributing any information relating to a particular Bank, FHFA shall provide that Bank with a copy of the information to be distributed, after which the Bank shall have ten (10) business days within which to deliver the request to FHFA.

(iii) For information that a Bank is required to distribute directly to the other Banks and the Office of Finance,

the request shall be delivered to FHFA no later than ten (10) business days prior to the date on which the Bank would otherwise be required to distribute the information.

(2) *As otherwise specified by FHFA.* Any notice issued by FHFA under §1260.2(b) may establish requirements for the timing of requests to withhold proprietary information that are different from those specified under paragraph (b)(1) of this section for any category of information to be distributed thereunder. In establishing such requirements, FHFA shall give due regard to the volume and complexity of the information to be reviewed, the Bank's existing familiarity with the information, the frequency of submission or distribution of the information, the likelihood that the information will contain proprietary information, and the effect that any delay in the distribution of the information would have on the fulfillment of the purposes of section 20A(a) of the Bank Act.

(c) *Determination and notice by FHFA.* After receiving a written request that meets the requirements of paragraphs (a) and (b) of this section, the Director or his designee shall promptly determine whether FHFA will, or the Bank may, withhold any information from distribution pursuant to the request, which determination shall be final. FHFA shall promptly notify the affected Bank of that determination and shall not distribute any information that is the subject of the request until it has provided the required notice to the Bank.

### §1260.4 Timing and form of information distribution.

(a) *Timing of distribution by FHFA.* FHFA may distribute information as provided in the notice issued under §1260.2(b) after the expiration of the applicable time period specified in §1260.3(b) unless, within that time period, the affected Bank has filed with FHFA a written request to withhold particular proprietary information that meets the requirements of §1260.3(a). When a Bank has filed such a request, FHFA shall not distribute the information that is the subject of the request until the Director or his designee has made the determination and provided the notice required by §1260.3(c) and shall distribute or withhold the subject information in conformity with that determination.

(b) *Timing of distribution by Banks.* A Bank that is required to distribute information directly to the other Banks and the Office of Finance shall distribute that information at the time specified in the notice issued under §1260.2(b) unless, within the time period specified in §1260.3(b)(1)(iii), the Bank has submitted to FHFA a request to withhold particular proprietary information that meets the requirements of §1260.3(a). If the Bank has filed such a request, it need not distribute the information that is the subject of the request until the Director or his designee has made the determination and provided the notice required by §1260.3(c). Thereafter, the Bank shall distribute or withhold the subject information in conformity with that determination.

(c) *Form.* FHFA may distribute information, or require a Bank to distribute information, under this part in either tangible or electronic form, as it deems appropriate.

### §1260.5 Control and disclosure of shared information.

(a) *No waiver of privilege.* The release of information under this part does not constitute a waiver by FHFA of any privilege, or of its right to control, supervise or impose limitations on the subsequent use and disclosure of any information concerning a Bank. To the extent that any information provided to a Bank or the Office of Finance pursuant to this part qualifies as non-public information under part 1214 of this chapter, that information shall continue to qualify as such and shall continue to be subject to the restrictions on disclosure set forth in part 1214, provided that a Bank shall not be deemed to have violated any provision of §1214.3 of this chapter by disclosing in its filings with the SEC non-public information about another Bank that was obtained pursuant to this part if the disclosure is limited to a recital of the relevant factual content of the underlying information and the Bank has provided the notice required by paragraph (b) of this section.

(b) *Disclosures under the Federal securities laws.* If a Bank determines in good faith that it is required by any applicable provision of the 1934 Act or of 17 CFR chapter II to disclose non-public information relating to another Bank that it has received pursuant to this part, it shall provide to FHFA and to the Bank to which the information pertains prior written notice of such determination and of the content and anticipated timing of the disclosure, which notice shall be provided as far in advance of the anticipated disclosure as is feasible under the circumstances.

(c) *Safeguarding of information.* A Bank may use non-public information distributed pursuant to this part only for the purposes described in section 20A(a) of the Bank Act. Except as otherwise provided in this part, neither the Office of Finance, nor any Bank, nor any officer, director or employee thereof, may disclose or permit the use or disclosure of any non-public information regarding another Bank received pursuant to this part in any manner or for any purpose. Each Bank and the Office of Finance shall implement policies and procedures to prevent the improper disclosure of such information and to limit the access of its personnel to such information, which policies and procedures shall be no less stringent than those that apply to the entity's own confidential and supervisory information.

(d) *Information regarding the Office of Finance.* A Bank president that receives any information regarding the Office of Finance in his or her capacity as a member of the board of directors of the Office of Finance may share the information with the board of directors of the Bank at which he or she is employed, as well as with the appropriate officers and employees of the Bank, subject to the limitations of this part.

### § 1261.3 General provisions.

(a) *Board size and composition.* Annually, the FHFA Director will determine the size of the board of directors for each Bank and will designate at least a majority, but no more than 60 percent, of the directorships as member directorships and the remainder as independent directorships. Annually, the board of directors of each Bank shall determine how many, if any, of the independent directorships with terms beginning the following January 1 shall be public interest directorships, ensuring that at all times the Bank will have at least two public interest independent directorships.

(b) *Term of directorships.* The term of office of each directorship shall be four years, except as adjusted pursuant to section 7(d) of the Bank Act (12 U.S.C 1427(d)) to achieve a staggered board, and shall commence on January 1 of the calendar year so designated by FHFA.

(c) *Annual elections.* Each Bank annually shall conduct an election the purpose of which is to fill all directorships designated by FHFA as commencing on January 1 of the calendar year immediately following the year in which such election is commenced. Subject to the provisions of the Bank Act and in accordance with the requirements of this subpart, the disinterested members of the board of directors of each Bank, or a committee of disinterested directors, shall administer and conduct the annual election of directors. In so doing, the disinterested directors may use Bank staff or independent contractors to perform ministerial and administrative functions concerning the elections process.

(d) *Location of members.* In accordance with section 7(c) of the Bank Act (12 U.S.C 1427(c)), for purposes of the election of member directors, a member is deemed to be located in its voting state, unless otherwise designated by the Director.

(e) *Dates.* If any date specified in this subpart for action by a Bank, or specified by a Bank pursuant to this subpart, falls on a Saturday, Sunday, or Federal holiday, the relevant time period is deemed to be extended to the next calendar day that is not a Saturday, Sunday, or Federal holiday.

### § 1261.4 Designation of member directorships.

(a) *Capital stock reports.* (1) On or before April 10 of each year, each Bank shall deliver to FHFA a capital stock report that indicates, as of the record date, the number of members located in each voting State in the Bank's district, the number of shares of Bank stock that each member (identified by its FHFA ID number) was required to hold, and the number of shares of Bank stock that all members located in each voting State were required to hold. If a Bank has issued more than one class of stock, it shall report the total shares of stock of all classes required to be held by the members. The Bank shall certify to FHFA that, to the best of its knowledge, the information provided in the capital stock report is accurate and complete, and that it has notified each member of its minimum capital stock holding requirement as of the record date.

(2) The number of shares of Bank stock that any member was required to hold as of the record date shall be determined in accordance with the minimum investment established by the capital plan for that Bank.

(b) *Designation of member directorships.* Using the method of equal proportions, the Director annually will conduct a designation of member directorships for each Bank based on the number of shares of Bank stock required to be held by the members in each State as of the record date. If a Bank has issued more than one class of stock, the Director will designate the directorships for each State in that Bank district based on the combined number of shares required to be held by the members in that State. For purposes of conducting the designation, the number of shares of Bank stock required to be held by members as of that date shall be determined in accordance with the minimum investment established by the capital plan for that Bank. In all cases, the Director will designate the directorships by using the information provided by each Bank in its capital stock report required by paragraph (a)(1) of this section.

(c) *Allocation of directorships.* The member directorships designated by the Director will be allocated among the States by the Director in accordance with section 7(b) and (c) of the Bank Act.

(d) *Notification.* On or before June 1 of each year, FHFA will notify each Bank in writing of the total number of directorships established for the Bank and the number of member directorships designated as representing the members in each voting state in the Bank district.

(e) *Change of state.* If the annual designation of member directorships results in an existing directorship being redesignated as representing members in a different State, that directorship shall be deemed to terminate in the previous State as of December 31 of that year, and a new directorship to begin in the succeeding State as of January 1 of the next year. The new directorship shall be filled by vote of the members in the succeeding State and, in order to maintain the staggered terms of directorships, shall be adjusted to a term equal to the remaining term of the previous directorship if it had not been redesignated to another State.

### § 1261.5 Director eligibility.

(a) *Eligibility requirements for member directors.* Each member director, and each nominee to a member directorship, shall be:

(1) A citizen of the United States; and

(2) An officer or director of a member that is located in the district in which the Bank is located and that meets all minimum capital requirements established by its appropriate Federal banking agency or appropriate State regulator. In the case of a director elected by the members, the institution of

which the director is an officer or director must have been a member as of the record date. In the case of a director elected by a Bank's board of directors to fill a vacancy, the institution of which the director is an officer or director must be a member at the time the board acts.

(b) *State designation for member directors.* Each member director, and each nominee to a member directorship, shall be an officer or director of a member that is located in the State to which the Director has allocated such directorship under §1261.4(c).

(c) *Eligibility requirements for independent directors.* Each independent director, and each nominee to an independent directorship, shall be:

(1) A citizen of the United States; and

(2) A bona fide resident of the district in which the Bank is located.

(d) *Restrictions.* (1) A nominee is not eligible if he or she:

(i) Is an incumbent director, unless:

(A) The incumbent director's term of office would expire before the new term of office would begin; and

(B) The new term of office would not be barred by the term limit provision of section 7(d) of the Bank Act (12 U.S.C. 1427(d)); or

(ii) Is a former director whose service would be barred by the term limit provision of section 7(d) of the Bank Act.

(2) For purposes of applying the term limit provision of section 7(d) of the Bank Act (12 U.S.C. 1427(d)):

(i) A term of office that is adjusted after July 30, 2008 to a period of fewer than four years shall not be deemed to be a full term;

(ii) Any member director's election and service to a directorship with a three year term of office prior to July 30, 2008 shall be deemed to be a full term;

(iii) Any three-year term of office that ends immediately before a term of office that is adjusted after July 30, 2008 to a period of fewer than four years, and any term of office commencing immediately following such adjusted term of office, shall constitute consecutive full terms of office; and

(iv) Any period of time served by a director who has been elected by the board of directors to fill a vacancy shall not be deemed to constitute a full term.

(e) *Loss of eligibility.* A director shall become ineligible to remain in office if, during his or her term of office, the directorship to which he or she has been elected is eliminated. The incumbent director shall become ineligible after the close of business on December 31 of the year in which the directorship is eliminated.

[73 FR 55715, Sept. 26, 2008, as amended at 74 FR 51461, Oct. 7, 2009; 75 FR 17039, 17040, Apr. 5, 2010; 81 FR 76296, Nov. 2, 2016]

### §1261.6 Determination of member votes.

(a) *In general.* Each Bank shall determine, in accordance with this section, the number of votes that each member of the Bank may cast for each directorship that is to be filled by the vote of the members.

(b) *Number of votes.* For each member directorship and each independent directorship that is to be filled in an election, each member shall be entitled to cast one vote for each share of Bank stock that the member was required to hold as of the record date. Notwithstanding the preceding sentence, the number of votes that any member may cast for any one directorship shall not exceed the average number of shares of Bank stock required to be held as of the record date by all members located in the same State as of the record date. If a Bank has issued more than one class of stock, it shall calculate the average number of shares separately for each class of stock, using the total number of members in a State as the denominator, and shall apply those limits separately in determining the maximum number of votes that any member owning that class of stock may cast in the election. The number of shares of Bank stock that a member was required to hold as of the record date shall be determined in accordance with the minimum investment requirement established by the Bank's capital plan.

(c) *Voting preferences.* If the board of directors of a Bank includes any voting preferences as part of its approved capital plan, those preferences shall supersede the provisions of paragraph (b) of this section that otherwise would allow

a member to cast one vote for each share of Bank stock it was required to hold as of the record date. If a Bank establishes a voting preference for a class of stock, the members with voting rights shall remain subject to the provisions of section 7(b) of the Bank Act (12 U.S.C. 1427(b)) that prohibit any member from casting any vote in excess of the average number of shares of stock required to be held by all members in its state.

[73 FR 55715, Sept. 26, 2008, as amended at 74 FR 51461, Oct. 7, 2009. Redesignated and amended at 75 FR 17039, Apr. 5, 2010; 81 FR 76296, Nov. 2, 2016]

### § 1261.7 Nominations for member and independent directorships.

Within a reasonable time in advance of an election, a Bank shall notify each member in its district of the commencement of the election process. Such notice shall include:

(a) *Election announcement.*

(1) The number of member directorships designated for each voting state in the Bank district and the number of independent directorships for the Bank;

(2) The name of each incumbent Bank director, the name and location of the member at which each member director serves, and the name and location of the organization with which each independent director is affiliated, if any, and the expiration date of each Bank director's term of office;

(3) A brief statement describing the skills and experience the Bank believes are most likely to add strength to the board of directors, provided that the Bank previously has conducted the annual assessment permitted by § 1261.9 and the Bank has elected to provide the results of the assessment to the members;

(4) An attachment indicating the name, location, and FHFA ID number of every member in the member's voting state, and the number of votes each such member may cast for each directorship to be filled by such members, as determined in accordance with § 1261.6; and

(5) If a member directorship is to be filled by members in a State, a nominating certificate for those members.

(b) *Member directorship nominations.* (1) Any member that is entitled to vote in the election may nominate an eligible individual to fill each available member directorship for its voting state by delivering to its Bank, prior to a deadline to be established by the Bank and set forth in the notice required in paragraph (a) of this section, a nominating certificate duly adopted by the member's governing body or by an individual authorized by the member's governing body to act on its behalf.

(2) The nominating certificate shall include the name of the nominee and the name, location, and FHFA ID number of the member the nominee serves as an officer or director.

(3) The Bank shall establish a deadline for delivery of nominating certificates, which shall be no earlier than 30 calendar days after the date on which the Bank delivers the notice required by paragraph (a) of this section, and the Bank shall not accept certificates received after that deadline. The Bank shall retain all accepted nominating certificates for at least two years after the date of the election.

(c) *Accepting member directorship nominations.* Promptly after receipt of any nominating certificate, a Bank shall notify in writing any individual nominated for a member directorship. An individual may accept the nomination only by delivering to the Bank, prior to a deadline established by the Bank and set forth in its notice, an executed director eligibility certification form prescribed by FHFA. A Bank shall allow each nominee at least 30 calendar days after the date the Bank delivered the notice of nomination within which to deliver the executed form. A nominee may decline the nomination by so advising the Bank in writing, or by failing to deliver a properly executed director eligibility certification form prior to the deadline. Each Bank shall retain all information received under this paragraph for at least two years after the date of the election.

(d) *Independent directorship nominations.* (1) Any individual who seeks to be an independent director of the board of directors of a Bank may deliver to the Bank, on or before the deadline set by the Bank for delivery of nominating

certificates, an executed independent director application form prescribed by FHFA that demonstrates that the individual both is eligible and has either of the following qualifications:

(i) More than four years of experience representing consumer or community interests in banking services, credit needs, housing, or consumer financial protections; or

(ii) Knowledge of or experience in one or more of the areas set forth in paragraph (e) of this section.

(2) Any other interested party may recommend to the Bank that it consider a particular individual as a nominee for an independent directorship, but the Bank shall not nominate any individual unless the individual has delivered to the Bank, on or before the date the Bank has set for delivery of nominating certificates, an executed independent director application form prescribed by FHFA. The application form prescribed by FHFA will provide a means by which an individual can indicate an intent to be considered for a public interest directorship. The board of directors of the Bank may consider any individual for any independent directorship nomination, provided it has determined that the individual is eligible and qualified, but the board shall nominate for a public interest directorship only an individual who indicates on the application form a desire to be considered for a public interest directorship. The board of directors of the Bank shall consult with the Bank's Advisory Council before nominating any individual for any independent directorship. Each Bank shall include in its bylaws the procedures it intends to use for the nomination and election of the independent directors, and shall retain all information received under this paragraph for at least two years after the date of the election.

(3) Each Bank shall determine the number of public interest directorships to be included among its authorized independent directorships, provided that each Bank shall at all times have at least two such directorships, and shall announce that number to its members in the notice required by paragraph (a) of this section. In submitting nominations to its members, each Bank shall nominate at least as many individuals as there are independent directorships to be filled in that year's election.

(e) *Independent director qualifications.* (1) Each independent director and each nominee for an independent directorship, other than a public interest directorship, shall have experience in, or knowledge of, one or more of the following areas: auditing and accounting, derivatives, financial management, organizational management, project development, risk management practices, and the law. Before nominating any individual for an independent directorship, other than a public interest directorship, the board of directors of a Bank shall determine that such knowledge or experience of the nominee is commensurate with that needed to oversee a financial institution with a size and complexity that is comparable to that of the Bank.

(2) Each public interest independent director and each nominee for a public interest directorship shall have more than four years of experience representing consumer or community interests in banking services, credit needs, housing or consumer financial protection.

(f) *Eligibility verification.* Using the information provided on member director eligibility forms prescribed by FHFA, each Bank shall verify that each nominee for each member directorship meets all the eligibility requirements for such directorship. Using the information provided on independent director application forms prescribed by FHFA, each Bank shall verify that each nominee for each public interest independent directorship and each other independent directorship meets all eligibility requirements and any knowledge or experience qualifications for such directorship, as set forth in the Bank Act and this subpart. Before announcing any independent director nominee, the Bank shall deliver to FHFA, for the Director's review, a copy of the independent director application forms executed by the individuals nominated for independent directorships. If within two weeks of such delivery FHFA provides comments to the Bank on any independent director nominee, the board of directors of the Bank shall

consider the FHFA's comments in determining whether to proceed with those nominees or to reopen the nomination.

[73 FR 55715, Sept. 26, 2008, as amended at 74 FR 51461, Oct. 7, 2009. Redesignated and amended at 75 FR 17039, Apr. 5, 2010; 81 FR 76296, Nov. 2, 2016]

### § 1261.8 Election process.

(a) *Ballots.* Promptly after fulfilling the requirements of §1261.7(f), each Bank shall prepare and deliver a ballot to each member that was a member as of the record date. The Bank shall include with each ballot a closing date for the Bank's receipt of voted ballots, which date shall be no earlier than 30 calendar days after the date such ballot is delivered to the member.

(1) A ballot shall include at least the following provisions:

(i) For states in which one or more member directorships are to be filled in the election, an alphabetical listing of the names of each nominee for such directorship, the name, location, and FHFA ID number of the member each nominee serves, the nominee's title or position with the member, and the number of member directorships to be filled by the members in that voting state in the election;

(ii) An alphabetical listing of the names of each nominee for a public interest independent directorship and a brief description of each nominee's experience representing consumer and community interests;

(iii) An alphabetical listing of the names of each nominee for the other independent directorships and a brief description of each nominee's qualifications, including his or her knowledge or experience in the areas of financial management, auditing and accounting, risk management practices, derivatives, project development, organizational management, and any other area of knowledge or experience set forth in §1261.7(e);

(iv) A statement that write-in candidates are not permitted; and

(v) A confidentiality statement prohibiting the Bank from disclosing how any member voted.

(2) At the election of the Bank, a ballot also may include, in the body or as an attachment, a brief description of the skills and experience of each nominee for a member directorship.

(b) *Statement on skills and experience.* If a Bank has conducted an annual assessment permitted by §1261.9 and has included the results of the assessment as part of the notice to members required in §1261.7(a), it may include with each ballot a statement of the results of that assessment or any subsequent assessment. If the statement differs from the statement provided under §1261.7(a)(3), the Bank also shall include an explanation of why the statements differ.

(c) *Lack of member directorship nominees.* If, for any voting State, the number of nominees for the member directorships for that State is equal to or fewer than the number of such directorships to be filled in that year's election, the Bank shall deliver a notice to the members in the affected voting State (in lieu of including any member directorship nominees on the ballot for that State) that such nominees shall be deemed elected without further action, due to an insufficient number of nominees to warrant balloting. Thereafter, the Bank shall declare elected all such eligible nominees. The nominees declared elected shall be included as directors-elect in the report of election required under paragraph (g) of this section. Any member directorship that is not filled due to a lack of nominees shall be deemed vacant as of January 1 of the following year and shall be filled by the Bank's board of directors in accordance with §1261.14(a).

(d) *Voting.* For each directorship to be filled, a member may cast the number of votes determined by the Bank pursuant to §1261.6. A member may not split its votes among multiple nominees for a single directorship, and, where there are multiple directorships to be filled, either within the member's voting state or at large, in the case of independent directorships, a member may not cumulatively vote for a single nominee. If any member votes, it shall by resolution of its governing body either authorize the voting for specific nominees or delegate to an individual the authority to vote for specific nominees. To vote, a member shall:

(1) Mark on the ballot the name of not more than one of the nominees for

each directorship to be filled. Each nominee so selected shall receive all of the votes that the member is entitled to cast.

(2) Execute and deliver the ballot to the Bank on or before the closing date. A Bank shall not allow a member to change a ballot after it has been delivered to the Bank.

(e) *Counting ballots.* A Bank shall not review any ballot until after the closing date, and shall not include in the election results any ballot received after the closing date. Promptly after the closing date, each Bank shall tabulate the votes cast in the election: for the member directorships, the Bank shall tabulate votes by each voting state; for the independent directorships, the Bank shall tabulate votes for the district at-large. Any ballots cast in violation of paragraph (d) of this section shall be void.

(f) *Declaring results*— (1) *For member directorships.* The Bank shall declare elected the nominee receiving the highest number of votes. If more than one member directorship is to be filled for a particular State, the Bank shall declare elected each successive nominee receiving the next highest number of votes until all such open directorships are filled.

(2) *For independent directorships.* (i) The bank shall tabulate separately the votes received for public interest independent director nominees and those received for other independent director nominees, in each case in accordance with paragraph (f)(2)(ii) of this section.

(ii) If the number of nominees exceeds the number of directorships to be filled, the Bank shall declare elected the nominee receiving the highest number of votes. If more than one directorship is to be filled, the Bank shall declare elected each successive nominee receiving the next highest number of votes for such directorship until all such open directorships are filled.

(iii) If the number of nominees is no more than the number of directorships to be filled, the Bank shall declare elected each nominee receiving at least 20 percent of the number of votes eligible to be cast in the election. If any directorship is not filled due to any nominee's failure to receive at least 20 percent of the votes eligible to be cast, the Bank shall continue the election process for that directorship under the procedures in paragraph (h) of this section.

(3) *Tie votes.* In the event of a tie for the last available directorship, the disinterested incumbent members of the board of directors of the Bank, by a majority vote, shall declare elected one of the nominees for whom the number of votes cast was tied.

(4) *Eligibility.* A Bank shall not declare elected a nominee that it has reason to know is ineligible to serve, nor shall it seat a director-elect that it has reason to know is ineligible to serve.

(5) *Record retention.* The Bank shall retain all ballots it receives for at least two years after the date of the election, and shall not disclose how any member voted.

(g) *Report of election.* Promptly following the election, each Bank shall deliver a notice to its members, to each nominee, and to FHFA that contains the following information:

(1) For each member directorship, the name of the director-elect, the name and location of the member at which he or she serves, his or her title or position at the member, the voting State represented, and the expiration date of the term of office;

(2) For each independent directorship, the name of the director-elect, whether the director-elect will fill a public interest directorship and, if so, the consumer or community interest represented by such directorship, any qualifications under §1261.7(e), and the expiration date of the term of office;

(3) For member directorships, the total number of eligible votes, the number of members voting in the election, and the total number of votes cast for each nominee, which shall be reported by State; and

(4) For independent directorships, the total number of eligible votes, the number of members voting in the election, and the total number of votes cast for each nominee, which shall be reported for the district at large.

(h) *Failure to fill all independent directorships.* If any independent directorship is not filled due to the failure of any nominee to receive at least 20 percent of the eligible vote, the Bank shall

continue the election process for that directorship under the following procedures:

(1) The Bank's board of directors, after again consulting with the Bank's Advisory Council, shall nominate at least as many individuals as there are independent directorships to be filled. It may nominate individuals who failed to be elected in the initial vote. The Bank thereafter shall deliver to FHFA a copy of the independent director application form executed by each nominee.

(2) The Bank then shall follow the provisions in this section that are applicable to the election process for independent directors, except for the following:

(i) The Bank shall not place the name of any nominee on a ballot without prior approval of FHFA; and

(ii) The Bank may adopt a closing date that is earlier than 30 calendar days after delivery of the ballots to the eligible voting members, provided the Bank determines that an earlier closing date provides a reasonable amount of time to vote the ballots.

### § 1261.9 Actions affecting director elections.

(a) *Banks.* Each Bank, acting through its board of directors, may conduct an annual assessment of the skills and experience possessed by the members of its board of directors as a whole and may determine whether the capabilities of the board would be enhanced through the addition of individuals with particular skills and experience. If the board of directors determines that the Bank could benefit by the addition to the board of directors of individuals with particular qualifications, such as auditing and accounting, derivatives, financial management, organizational management, project development, risk management practices, or the law, it may identify those qualifications and so inform the members as part of its announcement of elections pursuant to § 1261.7(a).

(b) *Support for nomination or election.* (1) A Bank director, officer, attorney, employee, or agent, acting in his or her personal capacity, may support the nomination or election of any individual for a member directorship, provided that no such individual shall purport to represent the views of the Bank or its board of directors in doing so.

(2) A Bank director, officer, attorney, employee or agent and the board of directors and Advisory Council (including members of the Council) of a Bank may support the candidacy of any individual nominated by the board of directors for election to an independent directorship.

An independent director or nominee for any independent directorship shall disclose all such interests to the Bank on whose board of directors the individual serves or which is considering the individual for nomination to its board of directors.

(b) *Holding companies.* Service as an officer, employee, or director of a holding company that controls one or more members of, or one or more recipients of advances from, the Bank on whose board an independent director serves is not deemed to be service as an officer, employee or director of a member or recipient of advances if the assets of all

such members or all such recipients of advances constitute less than 35 percent of the assets of the holding company, on a consolidated basis.

(c) *Attribution.* For purposes of determining compliance with this section, a Bank shall attribute to the independent director any officer position, employee position, or directorship of the director's spouse.

A director shall disclose fully the nature of his or her interests in the matter and shall provide to the Bank's board of directors any information requested to aid in its consideration of the director's interest. A director shall refrain from considering or voting on any issue in which the director, any immediate family member, or any business associate has any financial interest.

(c) *Confidential Information.* Directors shall not disclose or use confidential information they receive solely by reason of their position with the Bank to obtain any benefit for themselves or for any other individual or entity.

(d) *Gifts.* No Bank director shall accept, and each Bank director shall discourage the director's immediate family members from accepting, any gift that the director believes or has reason to believe is given with the intent to influence the director's actions as a member of the Bank's board of directors, or where acceptance of such gift would have the appearance of intending to influence the director's actions as a member of the board. Any insubstantial gift would not be expected to trigger this prohibition.

(3) *Business associate* means any individual or entity with whom a director has a business relationship, including, but not limited to:

### § 1261.12 Reporting requirements for Bank directors.

(a) *Annual reporting.* Annually, each Bank shall require each of its directors to execute and deliver to the Bank the appropriate director eligibility certification form prescribed by FHFA for the type of directorship held by such director. The Bank promptly shall deliver to FHFA a copy of the certification form delivered to it by each director.

(b) *Report of noncompliance.* At any time that any director believes or has reason to believe that he or she no longer meets the eligibility requirements set forth in the Bank Act or this subpart, the director promptly shall so notify the Bank and FHFA in writing. Any director that is determined to have failed to comply with any of these requirements shall not continue to serve as a Bank director. (3) The board of directors shall elect only an individual who satisfies all the eligibility requirements in the Bank Act and in this subpart that applied to his or her predecessor and, for independent directorships, also satisfies any of the qualifications in the Bank Act or this subpart. If a Bank does not have at least two sitting public interest independent directors, the board of directors of the Bank shall designate the directorship as a public interest directorship and shall elect an individual who satisfies a public interest independent directorship qualification in the Bank Act or in this subpart.

Using the executed forms, each Bank shall verify each individual's eligibility and, as to independent directors, also shall verify the individual's qualifications. Before any independent director is elected by the board of directors of a Bank, the Bank shall deliver to FHFA for its review a

copy of the application form of each individual being considered by the board. The Bank shall retain the information it receives in accordance with §1261.7(c) and (d).

(c) *Notification.* Promptly after allowing the individual to assume the directorship, as provided in paragraph (b) of this section, a Bank shall notify FHFA and each member located in the Bank's district in writing of the following:

(1) For each member directorship filled by the board of a Bank, the name of the director, the name, location, and FHFA ID number of the member the director serves, the director's title or position with the member, the voting State that the director represents, and the expiration date of the director's term of office; and

SOURCE: 75 FR 17040, Apr. 5, 2010, unless otherwise noted.

### § 1261.20 Definitions.

As used in this subpart C:

*Expenses* means necessary and reasonable travel, subsistence and other related expenses incurred in connection with the performance of official duties as are payable to senior officers of the Bank under the Bank's travel policy, except gift or entertainment expenses.

### § 1261.21 General.

(a) *Standard.* Each Bank may pay its directors reasonable compensation for the time required of them, and their necessary expenses, in the performance of their duties, as determined by a resolution adopted by the board of directors of the Bank and subject to the provisions of this subpart.

(b) *Reporting*— (1) *Following calendar year.* By December 31 of each calendar year, each Bank shall report to the Director the compensation it anticipates paying to its directors for the following calendar year.

(2) *Preceding calendar year.* No later than the tenth business day of each calendar year, each Bank shall report to the Director the following information relating to director compensation, expenses and meeting attendance for

the immediately preceding calendar year:

(ii) The total expenses paid to each director;

(iii) The total compensation paid to all directors;

(iv) The total expenses paid to all directors;

(v) The total of all expenses incurred at group functions that are not reimbursed to individual directors, such as the cost of group meals in connection with board and committee meetings;

(vi) The total number of meetings held by the board and its designated committees; and

(vii) The number of board and designated committee meetings each director attended in-person or through electronic means such as video or teleconferencing.

### § 1261.22 Directors' compensation policy.

(a) *General.* Each Bank's board of directors annually shall adopt a written compensation policy to provide for the payment of reasonable compensation and expenses to the directors for the time required of them in performing their duties as directors. Payments under the directors' compensation policy may be based on any factors that the board of directors determines reasonably to be appropriate, subject to the requirements in this subpart.

(b) *Minimum contents.* The compensation policy shall address the activities or functions for which director attendance or participation is necessary and which may be compensated, and shall explain and justify the methodology used to determine the amount of compensation to be paid to the Bank directors. The compensation policy shall require that any compensation paid to a director reflect the amount of time the director has spent on official Bank business, and shall require that compensation be reduced, as necessary to reflect lesser attendance or performance at board or committee meetings during a given year.

(c) *Prohibited payments.* A Bank shall not pay a director who regularly fails to attend board or committee meetings, and shall not pay fees to a director that do not reflect the director's performance of official Bank business conducted prior to the payment of such fees.

(d) *Submission requirements.* No later than the tenth business day after adopting its annual policy for director compensation and expenses, and at least 30 days prior to disbursing the first payment to any director, each Bank shall submit to the Director a copy of the policy, along with all studies or other supporting materials upon which the board relied in determining the level of compensation and expenses to pay to its directors.

### § 1261.23 Director disapproval.

The Director may determine, based upon his or her review of a Bank's director compensation policy, methodology and/or other related materials, that the compensation and/or expenses to be paid to the directors are not reasonable. In such case, the Director may order the Bank to refrain from making any further payments under that compensation policy. Any such order shall apply prospectively only and will not affect either compensation or expenses that have been earned but not yet paid or reimbursed or payments that had been made prior to the date of the Director's determination and order.

### § 1261.24 Board meetings.

(a) *Number of meetings.* The board of directors of each Bank shall hold as many meetings each year as necessary and appropriate to carry out its fiduciary responsibilities with respect to the effective oversight of Bank management and such other duties and obligations as may be imposed by applicable laws, provided the board of directors of a Bank must hold a minimum of six in-person meetings in any year.

(b) *Site of meetings.* The bank usually should hold board of director and committee meetings within the district served by the Bank. The Bank shall not hold board of director or committee meetings in any location that is not within the United States, including its possessions and territories.

## Subpart B—Membership Application Process

### § 1263.2 Membership application requirements.

(a) *Application.* Except as otherwise specified in this part, no institution may become a member of a Bank unless it has submitted to that Bank an application that satisfies the requirements of this part. The application shall include a written resolution or certification duly adopted by the applicant's board of directors, or by an individual with authority to act on behalf of the applicant's board of directors, of the following:

(1) *Applicant review.* The applicant has reviewed the requirements of this part and, as required by this part, has provided to the best of its knowledge the most recent, accurate, and complete information available; and

(2) *Duty to supplement.* The applicant will promptly supplement the application with any relevant information that comes to its attention prior to the Bank's decision on whether to approve or deny the application, and if the Bank's decision is appealed pursuant to § 1263.5, prior to resolution of any appeal by FHFA.

(b) *Digest.* The Bank shall prepare a written digest for each applicant stating whether or not the applicant meets each of the requirements in §§ 1263.6 to 1263.19, the Bank's findings, and the reasons therefor. In preparing a digest for an applicant whose satisfaction of the membership eligibility requirements of § 1263.6(a) is contingent upon its meeting the definition of ''insurance company'' set forth in § 1263.1, the Bank shall state its conclusion as to whether the applicant meets that definition and summarize the bases for that conclusion. In preparing a digest for a non-federally-insured credit union applicant, the Bank shall summarize the manner in which the applicant has complied with the requirements of § 1263.19(a).

(c) *File.* The Bank shall maintain a membership file for each applicant for at least three years after the Bank decides whether to approve or deny membership or, in the case of an appeal to FHFA, for three years after the resolution of the appeal. The membership file shall contain at a minimum:

(1) *Digest.* The digest required by paragraph (b) of this section.

(2) *Required documents.* All documents required by §§ 1263.6 to 1263.19, including documents required to establish or rebut a presumption under this part, shall be described in and attached to the digest. The Bank is not required to retain in the file portions of regulatory financial reports that are not relevant to its decision on the membership application. If an applicant's appropriate regulator requires return or destruction of a regulatory examination report, the date that the report is returned or destroyed shall be noted in the file.

(3) *Additional documents.* Any additional document submitted by the applicant, or otherwise obtained or generated by the Bank, concerning the applicant.

(4) *Decision resolution.* The decision resolution described in § 1263.3(b).

### § 1263.3 Decision on application.

(a) *Authority.* FHFA hereby authorizes the Banks to approve or deny all applications for membership, subject

to the requirements of this part. The authority to approve membership applications may be exercised only by a committee of the Bank's board of directors, the Bank president, or a senior officer who reports directly to the Bank president, other than an officer with responsibility for business development.

(b) *Decision resolution.* For each applicant, the Bank shall prepare a written resolution duly adopted by the Bank's board of directors, by a committee of the board of directors, or by an officer with delegated authority to approve membership applications. The decision resolution shall state:

(1) That the statements in the digest are accurate to the best of the Bank's knowledge, and are based on a diligent and comprehensive review of all available information identified in the digest; and

(2) The Bank's decision and the reasons therefor. Decisions to approve an application should state specifically that:

(i) The applicant is authorized under the laws of the United States and the laws of the appropriate State to become a member of, purchase stock in, do business with, and maintain deposits in, the Bank to which the applicant has applied; and

(ii) The applicant meets all of the membership eligibility criteria of the Bank Act and this part.

(c) *Action on applications.* The Bank shall act on an application within 60 calendar days of the date the Bank deems the application to be complete. An application is ''complete'' when the Bank has obtained all the information required by this part, and any other information the Bank deems necessary, to process the application. If an application that was deemed complete subsequently is deemed incomplete because the Bank determines during the review process that additional information is necessary to process the application, the Bank may suspend the 60-day processing period until the Bank again deems the application to be complete, at which time the processing period shall resume. The Bank shall notify an applicant in writing when it deems the applicant's application to be complete, and shall maintain a copy of the notice in the applicant's membership file. The Bank shall notify an applicant whenever it suspends or resumes the 60-day processing period, and shall maintain a written record of those notifications in the applicant's membership file. Within three business days of a Bank's decision on an application, the Bank shall provide the applicant and FHFA with a copy of the Bank's decision resolution.

institutions) was a member immediately prior to the effective date of the consolidation, automatically become a member of such Bank upon the purchase of the minimum amount of Bank stock required for membership in that Bank, as required by §1263.20, provided that:

(i) 90 percent or more of the consolidated institution's total assets are derived from the total assets of the disappearing member institution (or institutions); and

(ii) The consolidated institution provides written notice to such Bank, within 60 calendar days after the effective date of the consolidation, that it desires to be a member of the Bank.

(2) The provisions of §1263.24(b)(4)(i) shall apply, and upon approval of automatic membership by the Bank, the provisions of §1263.24(c) shall apply.

(b) *Record for appeal.*—(1) *Copy of membership file.* Upon receiving a copy of an appeal, the Bank whose action has been appealed (appellee Bank) shall provide FHFA with a copy of the applicant's complete membership file. Until FHFA resolves the appeal, the appellee Bank shall supplement the materials provided to FHFA as any new materials are received.

(2) *Additional information.* FHFA may request additional information or further supporting arguments from the appellant, the appellee Bank, or any other party that FHFA deems appropriate.

(c) *Deciding appeals.* FHFA shall consider the record for appeal described in paragraph (b) of this section and shall resolve the appeal based on the requirements of the Bank Act and this part within 90 calendar days of the date the appeal is filed with FHFA. In deciding the appeal, FHFA shall apply the presumptions in this part, unless the appellant or appellee Bank presents evidence to rebut a presumption as provided in §1263.17.

(iii) *Additional information.* Any other relevant document or information a Bank requests concerning the applicant's financial condition that is not contained in the applicant's financial statements, as well as any other information that the applicant believes demonstrates that it satisfies the financial condition requirement of §1263.6(a)(4), notwithstanding its failure to meet any of the financial condition standards of paragraph (b)(2) of this section.

(ii) *Written analysis.* A written analysis acceptable to the Bank indicating that the proceedings will not likely result in an enforcement action or, in the case of a CDFI applicant, that the proceedings will not likely have a significantly deleterious effect on the applicant's operations. The written analysis shall state the severity of the charges, and any mitigating action taken by the applicant or its directors or senior officers.

(3) *Criminal, civil or administrative monetary liabilities, lawsuits or judgments.* If there are any known potential criminal, civil or administrative monetary liabilities, material pending lawsuits, or unsatisfied judgments against the applicant or any of its directors or senior officers since the most recent regulatory examination report or, in the case of a CDFI applicant, occurring within the past three years, that are significant to the applicant's operations, the applicant shall provide or the Bank shall obtain—

(d) *Transfer of membership.* (1) In the case of a member whose principal place of business has been designated as a State located in another Bank district in accordance with paragraph (c) of this section, or in the case of a member that has relocated its principal place of business to a State in another Bank district, the transfer of membership from one Bank to another Bank shall not take effect until the Banks involved reach an agreement on a method of orderly transfer.

(2) In the event that the Banks involved fail to agree on a method of orderly transfer, FHFA shall determine the conditions under which the transfer shall take place.

(e) *Effect of transfer.* A transfer of membership pursuant to this section shall be effective for all purposes, but shall not affect voting rights in the year of the transfer and shall not be subject to the provisions on termination of membership set forth in section 6 of the Bank Act (12 U.S.C. 1426) or §§ 1263.26 and 1263.27, nor the restriction on reacquiring Bank membership set forth in § 1263.30.

(1) *Notice.* Upon receiving from a non-federally-insured credit union an application for membership, a Bank shall promptly notify the applicant in writing that its application will not be deemed complete or be acted upon by the Bank until the applicant has, in addition to satisfying all other generally applicable requirements, complied with paragraph (a)(2) of this section and subsequently provided one of the items listed in paragraph (a)(3) of this section.

(2) *Request to regulator.* After receiving the notice required under paragraph (a)(1) of this section, a non-federally-insured credit union applicant shall send to its appropriate State regulator a written request for a determination that the applicant met all of the eligibility requirements for Federal share insurance as of the date of the request. The applicant shall provide to the Bank a copy of that request simultaneously with its transmittal to the regulator.

(3) *Completion of application.* A Bank may deem the application of a non-federally-insured credit union to be complete and may act upon the application, as provided under §1263.3(c), only if it has received from the applicant one of the following items:

(b) *Members canceling Federal share insurance.* A Bank member that is a federally insured credit union and that subsequently cancels its Federal share insurance may remain a member of the Bank, subject to all regulatory provisions applicable to insured depository institution members, provided that the Bank has determined that the institution has canceled its Federal share insurance voluntarily.

(a) *Minimum purchase requirement.* An institution that has been approved for membership in a Bank as provided in this part shall become a member of that Bank upon purchasing the amount of stock required under the membership stock purchase provisions of that Bank's capital structure plan. If an institution fails to purchase the minimum amount of stock required for membership within 60 calendar days after the date on which it is approved for membership, the membership approval shall become void and that institution may not become a member of that Bank until after it has filed a new application and the Bank has approved that application pursuant to the requirements of this part.

(b) *Issuance of stock.* After approving an institution for membership, and in return for payment in full of the par value, a Bank shall issue to that institution the amount of capital stock required to be purchased under the Bank's capital structure plan.

(c) *Reports.* Each Bank shall report to FHFA information regarding the minimum investment in Bank capital stock made by each new member referred to in paragraph (a) of this section, in accordance with the instructions provided in the Data Reporting Manual.

### § 1263.21 [Reserved]

### § 1263.22 Annual calculation of stock holdings.

A Bank shall calculate annually each member's required minimum holdings of Bank stock using calendar year-end financial data provided by the member to the Bank, pursuant to §1263.31(d), and shall notify each member of the result. The notice shall clearly state that the Bank's calculation of each member's minimum stock holdings is to be used to determine the number of votes that the member may cast in that year's election of directors and shall identify the State within the district in which the member will vote. A member that does not agree with the Bank's calculation of the minimum stock purchase requirement or with the identification of its voting State may request FHFA to review the Bank's determination. FHFA shall promptly determine the member's minimum required holdings and its proper voting State, which determination shall be final.

### § 1263.23 Excess stock.

## Subpart E—Withdrawal, Termination and Readmission

### § 1263.24 Consolidations involving members.

(a) *Consolidation of members.* Upon the consolidation of two or more institutions that are members of the same Bank into one institution operating under the charter of one of the consolidating institutions, the membership of the surviving institution shall continue and the membership of each disappearing institution shall terminate on the cancellation of its charter. Upon the consolidation of two or more institutions, at least two of which are members of different Banks, into one institution operating under the charter of one of the consolidating institutions, the membership of the surviving institution shall continue and the membership of each disappearing institution shall terminate upon cancellation of its charter, provided, however, that if more than 80 percent of the assets of the consolidated institution are derived from the assets of a disappearing

institution, then the consolidated institution shall continue to be a member of the Bank of which that disappearing institution was a member prior to the consolidation, and the membership of the other institutions shall terminate upon the effective date of the consolidation.

(b) *Consolidation into nonmember*—(1) *In general.* Upon the consolidation of a member into an institution that is not a member of a Bank, where the consolidated institution operates under the charter of the nonmember institution, the membership of the disappearing institution shall terminate upon the cancellation of its charter.

(2) *Notification.* If a member has consolidated into a nonmember that has its principal place of business in a State in the same Bank district as the former member, the consolidated institution shall have 60 calendar days after the cancellation of the charter of the former member within which to notify the Bank of the former member that the consolidated institution intends to apply for membership in such Bank. If the consolidated institution does not so notify the Bank by the end of the period, the Bank shall require the liquidation of any outstanding indebtedness owed by the former member, shall settle all outstanding business transactions with the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 1263.29.

(3) *Application.* If such a consolidated institution has notified the appropriate Bank of its intent to apply for membership, the consolidated institution shall submit an application for membership within 60 calendar days of so notifying the Bank. If the consolidated institution does not submit an application for membership by the end of the period, the Bank shall require the liquidation of any outstanding indebtedness owed by the former member, shall settle all outstanding business transactions with the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 1263.29.

(4) *Outstanding indebtedness.* If a member has consolidated into a nonmember institution, the Bank need not require the former member or its successor to liquidate any outstanding indebtedness owed to the Bank or to redeem its Bank stock, as otherwise may be required under § 1263.29, during:

(i) The initial 60 calendar-day notification period;

(ii) The 60 calendar-day period following receipt of a notification that the consolidated institution intends to apply for membership; and

(iii) The period of time during which the Bank processes the application for membership.

(5) *Approval of membership.* If the application of such a consolidated institution is approved, the consolidated institution shall become a member of that Bank upon the purchase of the amount of Bank stock necessary, when combined with any Bank stock acquired from the disappearing member, to satisfy the minimum stock purchase requirements established by the Bank's capital structure plan.

(6) *Disapproval of membership.* If the Bank disapproves the application for membership of the consolidated institution, the Bank shall require the liquidation of any outstanding indebtedness owed by, and the settlement of all other outstanding business transactions with, the former member, and shall redeem or repurchase the Bank stock owned by the former member in accordance with § 1263.29.

(c) *Dividends on acquired Bank stock.* A consolidated institution shall be entitled to receive dividends on the Bank stock that it acquires as a result of a consolidation with a member in accordance with applicable FHFA regulations.

### § 1263.25 [Reserved]

### § 1263.26 Voluntary withdrawal from membership.

(a) *In general*—(1) Any institution may withdraw from membership by providing to the Bank written notice of its intent to withdraw from membership. A member that has so notified its Bank shall be entitled to have continued access to the benefits of membership until the effective date of its withdrawal. The Bank need not commit to providing any further services, including advances, to a withdrawing member that would mature or otherwise

terminate subsequent to the effective date of the withdrawal. A member may cancel its notice of withdrawal at any time prior to its effective date by providing a written cancellation notice to the Bank. A Bank may impose a fee on a member that cancels a notice of withdrawal, provided that the fee or the manner of its calculation is specified in the Bank's capital plan.

(2) A Bank shall notify FHFA within 10 calendar days of receipt of any notice of withdrawal or notice of cancellation of withdrawal from membership.

(b) *Effective date of withdrawal.* The membership of an institution that has submitted a notice of withdrawal shall terminate as of the date on which the last of the applicable stock redemption periods ends for the stock that the member is required to hold, as of the date that the notice of withdrawal is submitted, under the terms of a Bank's capital plan as a condition of membership, unless the institution has cancelled its notice of withdrawal prior to the effective date of the termination of its membership.

(c) *Stock redemption periods.* The receipt by a Bank of a notice of withdrawal shall commence the applicable 6-month and 5-year stock redemption periods, respectively, for all of the Class A and Class B stock held by that member that is not already subject to a pending request for redemption. In the case of an institution, the membership of which has been terminated as a result of a merger or other consolidation into a nonmember or into a member of another Bank, the applicable stock redemption periods for any stock that is not subject to a pending notice of redemption shall be deemed to commence on the date on which the charter of the former member is cancelled.

### § 1263.27 Involuntary termination of membership.

(a) *Grounds.* The board of directors of a Bank may terminate the membership of any institution that:

(1) Fails to comply with any requirement of the Bank Act, any regulation adopted by FHFA, or any requirement of the Bank's capital plan;

(2) Becomes insolvent or otherwise subject to the appointment of a conservator, receiver, or other legal custodian under federal or State law; or

(3) Would jeopardize the safety or soundness of the Bank if it were to remain a member.

(b) *Stock redemption periods.* The applicable 6-month and 5-year stock redemption periods, respectively, for all of the Class A and Class B stock owned by a member and not already subject to a pending request for redemption, shall commence on the date that the Bank terminates the institution's membership.

(c) *Membership rights.* An institution whose membership is terminated involuntarily under this section shall cease being a member as of the date on which the board of directors of the Bank acts to terminate the membership, and the institution shall have no right to obtain any of the benefits of membership after that date, but shall be entitled to receive any dividends declared on its stock until the stock is redeemed or repurchased by the Bank.

### § 1263.28 [Reserved]

### § 1263.29 Disposition of claims.

(a) *In general.* If an institution withdraws from membership or its membership is otherwise terminated, the Bank shall determine an orderly manner for liquidating all outstanding indebtedness owed by that member to the Bank and for settling all other claims against the member. After all such obligations and claims have been extinguished or settled, the Bank shall return to the member all collateral pledged by the member to the Bank to secure its obligations to the Bank.

(b) *Bank stock.* If an institution that has withdrawn from membership or that otherwise has had its membership terminated remains indebted to the Bank or has outstanding any business transactions with the Bank after the effective date of its termination of membership, the Bank shall not redeem or repurchase any Bank stock that is required to support the indebtedness or the business transactions until after all such indebtedness and business transactions have been extinguished or settled.

### § 1263.30 Readmission to membership.

(a) *In general.* An institution that has withdrawn from membership or otherwise has had its membership terminated and which has divested all of its shares of Bank stock, may not be readmitted to membership in any Bank, or acquire any capital stock of any Bank, for a period of five years from the date on which its membership terminated and it divested all of its shares of Bank stock.

(b) *Exceptions.* An institution that transfers membership between two Banks without interruption shall not be deemed to have withdrawn from Bank membership or had its membership terminated.

(i) The marginal cost to the Bank of raising matching term and maturity funds in the marketplace, including embedded options; and

(ii) The administrative and operating costs associated with making such advances to members.

(2) *Differential pricing.* (i) Each Bank may, in pricing its advances, distinguish among members based upon its assessment of:

(A) The credit and other risks to the Bank of lending to any particular member; or

(B) Other reasonable criteria that may be applied equally to all members.

(ii) Each Bank shall include in its member products policy required by § 917.4 of this title, standards and criteria for such differential pricing and shall apply such standards and criteria consistently and without discrimination to all members applying for advances.

(3) *Exceptions.* The advance pricing policies contained in paragraph (b)(1) of this section shall not apply in the case of:

(d) *Putable or convertible advances*—(1) *Disclosure.* A Bank that offers a putable or convertible advance to a member shall disclose in writing to such member the type and nature of the risks associated with putable or convertible advance funding. The disclosure should include detail sufficient to describe such risks.

(2) *Replacement funding for putable advances.* If a Bank terminates a putable

advance prior to the stated maturity date of such advance, the Bank shall offer to provide replacement funding to the member, provided the member is able to satisfy the normal credit and collateral requirements of the Bank for the replacement funding requested.

(3) *Definition.* For purposes of this paragraph (d), the term *putable advance* means an advance that a Bank may, at its discretion, terminate and require the member to repay prior to the stated maturity date of the advance.

Any such fee schedules or formulas shall be applied consistently and without discrimination to all members.

(b) *Prepayment fees.* (1) Except where an advance product contains a prepayment option, each Bank shall establish and charge a prepayment fee pursuant to a specified formula which makes the Bank financially indifferent to the borrower's decision to repay the advance prior to its maturity date.

(2) Prepayment fees are not required for:

(i) Advances with original terms to maturity or repricing periods of six months or less;

(ii) Advances funded by callable debt; or

(iii) Advances which are otherwise appropriately hedged so that the Bank is financially indifferent to their prepayment.

(3) The board of directors of each Bank, a designated committee thereof, or officers specifically authorized by the board of directors, may waive a prepayment fee only if such prepayment will not result in an economic loss to the Bank. Any such waiver must subsequently be ratified by the board of directors.

(4) A Bank, in determining whether or not to waive a prepayment fee, shall apply consistent standards to all of its members.

(c) *Commitment fees.* Each Bank may charge a fee for its commitment to fund an advance.

(d) *Other fees.* Each Bank is authorized to charge other fees as it deems necessary and appropriate.

(1) *Mortgage loans and privately issued securities.* (i) Fully disbursed, whole first mortgage loans on improved residential real property not more than 90 days delinquent; or

(ii) Privately issued mortgage-backed securities, excluding the following:

(A) Securities that represent a share of only the interest payments or only the principal payments from the underlying mortgage loans;

(B) Securities that represent a subordinate interest in the cash flows from the underlying mortgage loans;

(C) Securities that represent an interest in any residual payments from the underlying pool of mortgage loans; or

(D) Such other high-risk securities as the FHFA in its discretion may determine.

(2) *Agency securities.* Securities issued, insured or guaranteed by the United States Government, or any agency thereof, including without limitation:

(i) Mortgage-backed securities issued or guaranteed by Freddie Mac, Fannie Mae, Ginnie Mae, or any other agency of the United States Government;

credit of the United States, and such insurance, guarantee or other backing is for the direct benefit of the holder of the mortgage or loan; and

(iii) Securities backed by, or representing an equity interest in, mortgages or other loans referred to in paragraph (a)(2)(ii) of this section.

(3) *Cash or deposits.* Cash or deposits in a Bank.

(4) *Other real estate-related collateral.* (i) Other real estate-related collateral provided that:

(A) Such collateral has a readily ascertainable value, can be reliably discounted to account for liquidation and other risks, and can be liquidated in due course; and

(B) The Bank can perfect a security interest in such collateral.

(ii) Eligible other real estate-related collateral may include, but is not limited to:

(ii) Cash equivalents.

(b) *Additional collateral eligible as security for advances to CFI members or their affiliates*—(1) *General.* Subject to the requirements set forth in part 1272 of this chapter, a Bank is authorized to accept from CFI members or their affiliates as security for advances small business loans, small farm loans, small agribusiness loans, or community development loans, in each case fully secured by collateral other than real estate, or securities representing a whole interest in such secured loans, provided that:

(i) Such collateral has a readily ascertainable value, can be reliably discounted to account for liquidation and other risks, and can be liquidated in due course; and

(ii) The Bank can perfect a security interest in such collateral.

(2) *Change in CFI status.* If a Bank determines, as of April 1 of each year, that a member that has previously qualified as a CFI no longer qualifies as a CFI, and the member has total advances outstanding that exceed the amount that can be fully secured by collateral under paragraph (a) of this section, the Bank may:

(i) Permit the advances of such member to run to their stated maturities; and

(ii) Renew such member's advances to mature no later than March 31 of the following year; provided that the total of the member's advances under paragraphs (b)(2)(i) and (ii) of this section shall be fully secured by collateral set forth in paragraphs (a) and (b) of this section.

(c) *Bank restrictions on eligible advances collateral.* A Bank at its discretion may further restrict the types of eligible collateral acceptable to the Bank as security for an advance, based upon the creditworthiness or operations of the borrower, the quality of the collateral, or other reasonable criteria.

(d) *Additional advances collateral.* The provisions of paragraph (a) of this section shall not affect the ability of any Bank to take such steps as it deems necessary to protect its secured position on outstanding advances, including requiring additional collateral, whether or not such additional collateral conforms to the requirements for eligible collateral in paragraphs (a) or (b) of this section or section 10 of the Bank Act (12 U.S.C. 1430).

(e) *Bank stock as collateral.* (1) Pursuant to section 10(c) of the Bank Act (12 U.S.C. 1430(c)), a Bank shall have a lien upon, and shall hold, the stock of a member in the Bank as further collateral security for all indebtedness of the member to the Bank.

(2) The written security agreement used by the Bank shall provide that the borrowing member's Bank stock is assigned as additional security by the member to the Bank.

(3) The security interest of the Bank in such member's Bank stock shall be entitled to the priority provided for in

section 10(e) of the Bank Act (12 U.S.C. 1430(e)).

(f) *Advances collateral security requiring formal approval.* No home mortgage loan otherwise eligible to be accepted as collateral for an advance by a Bank under this section shall be accepted as collateral for an advance if any director, officer, employee, attorney or agent of the Bank or of the borrowing member is personally liable thereon, unless the board of directors of the Bank has specifically approved such acceptance by formal resolution, and the FHFA has endorsed such resolution.

(g) *Pledge of advances collateral by affiliates.* Assets held by an affiliate of a member that are eligible as collateral under paragraphs (a) or (b) of this section may be used to secure advances to that member only if:

(1) The collateral is pledged to secure either:

(i) The member's obligation to repay advances; or

(ii) A surety or other agreement under which the affiliate has assumed, along with the member, a primary obligation to repay advances made to the member; and

(2) The Bank obtains and maintains a legally enforceable security interest pursuant to which the Bank's legal rights and privileges with respect to the collateral are functionally equivalent in all material respects to those that the Bank would possess if the member were to pledge the same collateral directly, and such functional equivalence is supported by adequate documentation.

### § 1266.8 Banks as secured creditors.

(a) Except as provided in paragraph (b) of this section, notwithstanding any other provision of law, any security interest granted to a Bank by a member, or by an affiliate of a member, shall be entitled to priority over the claims and rights of any party, including any receiver, conservator, trustee or similar party having rights of a lien creditor, to such collateral.

(b) A Bank's security interest as described in paragraph (a) of this section shall not be entitled to priority over the claims and rights of a party that:

(1) Would be entitled to priority under otherwise applicable law; and

(2) Is an actual bona fide purchaser for value of such collateral or is an actual secured party whose security interest in such collateral is perfected in accordance with applicable state law.

### § 1266.9 Pledged collateral; verification.

(a) *Collateral safekeeping.* (1) A Bank may permit a member that is a depository institution to retain documents evidencing collateral pledged to the Bank, provided that the Bank and such member have executed a written security agreement pursuant to § 1266.2(c) of this part whereby such collateral is retained solely for the Bank's benefit and subject to the Bank's control and direction.

(2) A Bank shall take any steps necessary to ensure that its security interest in all collateral pledged by non-depository institutions for an advance is as secure as its security interest in collateral pledged by depository institutions.

(3) A Bank may at any time perfect its security interest in collateral securing an advance to a member.

(b) *Collateral verification.* Each Bank shall establish written procedures and standards for verifying the existence of collateral securing the Bank's advances, and shall regularly verify the existence of the collateral securing its advances in accordance with such procedures and standards.

For purposes of this limitation, such aggregate value will be measured as of the transaction trade date for such purchase, and total capital will be the most recent amount reported by a Bank to FHFA. (3) For purposes of applying the limits under this paragraph (c), the value of relevant mortgage-backed or asset-backed securities shall be calculated based on amortized historical costs for securities classified as held-to-maturity or available-for-sale and on fair value for trading securities.

(b) *Grandfathered transactions.* Notwithstanding paragraph (a), a Bank may continue to hold as AMA assets that were previously authorized by the Federal Housing Finance Board or FHFA for purchase as AMA, provided that the assets were purchased, and continue to be held, in compliance with that authorization.

## § 1268.3 Asset requirement.

Assets that qualify as AMA shall be limited to the following:

(a) Whole loans that are eligible to secure advances under § 1266.7(a)(1)(i), (a)(2)(ii), (a)(4), or (b)(1) of this chapter, excluding:

(1) Single-family mortgage loans where the loan amount exceeds the limits established pursuant to 12 U.S.C. 1717(b)(2), unless the loan is guaranteed or insured by an agency or department of the U.S. government, in which case the limits in 12 U.S.C. 1717(b)(2) do not apply; and

(1) The housing finance agency shall first offer the local Bank right of first refusal to purchase, or negotiate the terms of, its proposed bond offering;

(2) If the local Bank indicates, within three business days, it will negotiate in good faith to purchase the bonds, the housing finance agency may not offer to sell or negotiate the terms of a purchase with another Bank; and

(3) If the local Bank declines the offer, or has failed to respond within three business days, the acquiring Bank will be considered to have an arrangement with the local Bank for purposes of this section and may offer to buy or negotiate the terms of a bond sale with the housing finance agency.

### §1268.5 Credit risk-sharing requirement.

(a) *General credit risk-sharing requirement.* For each AMA product, the Bank shall implement and have in place at all times, a credit risk-sharing structure that:

(1) Requires a participating financial institution to provide the credit enhancement necessary to enhance an eligible asset or pool to the credit quality specified by the terms and conditions of the AMA product, provided, however, that such credit enhancement results in the eligible asset or pool being at least AMA investment grade, as defined in §1268.1; and

(2) Meets the requirements of this section.

(b) *Determination of necessary credit enhancement.* (1) No later than 30 calendar days after the purchase of the asset or after a pool closes, the Bank shall determine the total credit enhancement necessary to enhance the asset or pool to at least AMA investment grade and to be consistent with the terms and conditions of a specific AMA product. The enhancement shall be for the life of the asset or pool. The Bank shall make this determination for each AMA product using a model and methodology that the Bank deems

appropriate, subject to paragraph (f) of this section.

(2) A Bank shall document its basis for concluding that the contractual credit enhancement required from each participating financial institution with regard to a particular asset or pool will equal or exceed the credit enhancement level specified in the terms and conditions of the AMA product and determined in accordance with paragraph (b)(1) of this section.

(c) *Credit risk-sharing structure.* Under any credit risk-sharing structure, the credit enhancement provided by the participating financial institution shall at all times meet the following requirements:

(1) The participating financial institution that is providing the credit enhancement required under this paragraph (c) shall in all cases:

(i) Bear the direct economic consequences of actual credit losses on the asset or pool:

(A) From the first dollar of loss up to the amount of expected losses; or

(B) Immediately following expected losses, but in an amount equal to or exceeding the amount of expected losses; and

(ii) Fully secure its direct credit enhancement obligation in accordance with §1266.7; and

(2) The participating financial institution also may provide all or a portion of the credit enhancement, with the approval of the Bank, by:

(i) Contracting with an insurance affiliate of that participating financial institution to provide an enhancement, but only where such insurance is positioned in the credit risk-sharing structure so as to cover only losses remaining after the participating financial institution has borne losses as required under paragraph (c)(1)(i) of this section;

(ii) Purchasing loan-level insurance only where:

(A) The participating financial institution is legally obligated at all times to maintain such insurance with a qualified insurer; and

(B) Such insurance is positioned in the credit enhancement structure so as to cover only losses remaining after the participating financial institution has borne losses as required under paragraph (c)(1)(i) of this section;

(iii) Purchasing pool-level insurance only where:

(A) The participating financial institution is legally obligated at all times to maintain such insurance with a qualified insurer;

(B) Such insurance insures that portion of the required credit enhancement attributable to the geographic concentration and size of the pool; and

(C) Such insurance is positioned last in the credit enhancement structure so as to cover only those losses remaining after all other elements of the credit enhancement structure have been exhausted;

(iv) Contracting with another participating financial institution in the Bank's district to provide a credit enhancement consistent with this section, in return for compensation; or

(v) Contracting with a participating financial institution in another Bank's district, pursuant to an arrangement between the two Banks, to provide a credit enhancement consistent with this section, in return for compensation.

(d) *Loans guaranteed or insured by a department or agency of the U.S. government.* Instead of the structure set forth in paragraph (c) of this section, a participating financial institution also may provide the required credit enhancement through loan-level insurance that is issued by an agency or department of the U.S. government or is a guarantee from an agency or department of the U.S. government, provided that the government insurance or guarantee remains in place for as long as the Bank owns the loan.

(e) *Qualified insurers.* (1) Within one year of January 18, 2017, each Bank must develop, and subsequently maintain, written financial and operational standards that an insurer must meet for the Bank to approve it as a qualified insurer. A Bank shall review qualified insurers at least once every two years to determine whether they still meet the financial and operational standards set by the Bank. A Bank may delegate responsibility for development of these standards and approval of qualified insurers to another

Bank or group of Banks pursuant to §1268.8.

(2) Only qualified insurers may provide private loan insurance on AMA eligible assets or the loan or pool insurance allowed as part of the credit enhancement structure for AMA products under paragraphs (c)(2)(ii) or (iii) of this section.

(f) *Appropriate methodology for calculating credit enhancement.* A Bank shall use a model and methodology for estimating the amount of credit enhancement for an asset or pool. A Bank shall provide to FHFA upon request information about the model and methodology, including and without limitation results of any model runs and the results of any tests of the model performed by the Bank. FHFA reserves the right to direct a Bank to make changes to its model and methodology, and a Bank promptly shall institute any such FHFA-directed changes.

### §1268.6 Servicing of AMA loans.

(a) Servicing of AMA loans may be performed by or transferred to any institution, including an institution that is not a member of the Bank System, provided that the loans, after such transfer, continue to meet all requirements to qualify as AMA under §§1268.3, 1268.4, and 1268.5.

(b) The transfer of mortgage servicing rights and responsibilities must be approved by the Bank or Banks that own the loan or a participation interest in the loan.

(c) A Bank shall have in place policies and procedures to ensure that the transfer of mortgage servicing rights does not negatively affect the credit enhancement on the loans in question or substantially increase the Bank's exposure to the credit risk for the asset or pool.

### §1268.7 Reporting requirements for acquired member assets.

Each Bank shall report information related to AMA in accordance with the instructions provided in the Data Reporting Manual issued by FHFA, as amended from time to time.

### §1268.8 Administrative transactions and agreements between Banks.

(a) *Delegation of administrative duties.* A Bank may delegate the administration of an AMA program to another Bank whose administrative office has been examined and approved by FHFA, or previously examined and approved by the Federal Housing Finance Board, to process AMA transactions. The existence of such a delegation, or the possibility that such a delegation may be made, must be disclosed to any potential participating financial institution as part of any AMA-related agreements signed with that participating financial institution. A Bank may contract with one or more parties, including without limitation another Bank, to provide services related to the administration of its own AMA program or the AMA program of another Bank for which it has been delegated administrative responsibility, without the necessity for further disclosure to the participating financial institutions.

(b) *Termination of agreements.* Any agreement made between two or more Banks in connection with the administration of any AMA program may be terminated by any party after a reasonable notice period.

(c) *Delegation of pricing authority.* A Bank that has delegated its AMA pricing function to another Bank shall retain a right to refuse to acquire AMA at prices it does not consider appropriate, pursuant to contractual provisions among the parties.

Unless otherwise specified by the board, a Bank President may delegate to any officer or employee of the Bank any authority he possesses under this section.

(b) Each Bank shall at all times have at least an amount equal to the current deposits received from its members invested in:

## Subpart C—Consolidated Obligations

### § 1270.4 Issuance of consolidated obligations.

(a) *Consolidated obligations issued by the Banks*—(1) Subject to the provisions of this part and such other rules, regulations, terms, and conditions as the Director may prescribe, the Banks may issue joint debt under section 11(c) of the Bank Act (12 U.S.C. 1431(c)), which shall be consolidated obligations, on which the Banks shall be jointly and severally liable in accordance with § 1270.10 of this part.

Eligible assets are:

(1) Cash;

(2) Obligations of or fully guaranteed by the United States;

(3) Secured advances;

(4) Mortgages as to which one or more Banks have any guaranty or insurance, or commitment therefor, by the United States or any agency thereof; and

### § 1270.5 Bank operations.

The Banks, individually and collectively, shall operate in such manner

and take any actions necessary, including without limitation reducing leverage, to ensure that consolidated obligations maintain a high level of acceptance by financial markets and are generally perceived by investors as presenting a low level of credit risk.

[78 FR 67009. Nov. 8, 2013]

### § 1270.6 Transactions in consolidated obligations.

The general regulations of the Department of the Treasury now or hereafter in force governing transactions in United States securities, except 31 CFR part 357 regarding book-entry procedure, are hereby incorporated into this subpart C of this part, so far as applicable and as necessarily modified to relate to consolidated obligations, as the regulations of FHFA for similar transactions on consolidated obligations. The book-entry procedure for consolidated obligations is contained in subpart D of this part.

### § 1270.7 Lost, stolen, destroyed, mutilated or defaced consolidated obligations.

United States statutes and regulations of the Department of the Treasury now or hereafter in force governing relief on account of the loss, theft, destruction, mutilation or defacement of United States securities, so far as applicable and as necessarily modified to relate to consolidated obligations, are hereby adopted as the regulations of FHFA for the issuance of substitute consolidated obligations or the payment of lost, stolen, destroyed, mutilated or defaced consolidated obligations.

### § 1270.8 Administrative provision.

The Secretary of the Treasury or the Acting Secretary of the Treasury is hereby authorized and empowered, as the agent of FHFA and the Banks, to administer §§ 1270.6 and 1270.7, and to delegate such authority at their discretion to other officers, employees, and agents of the Department of the Treasury. Any such regulations may be waived on behalf of FHFA and the Banks by the Secretary of the Treasury, the Acting Secretary of the Treasury, or by an officer of the Department of the Treasury authorized to waive similar regulations with respect to United States securities, but only in any particular case in which a similar regulation with respect to United States securities would be waived. The terms ''securities'' and ''bonds'' as used in this section shall, unless the context otherwise requires, include and apply to coupons and interim certificates.

### § 1270.9 Conditions for issuance of consolidated obligations.

(a) The Office of Finance board of directors shall authorize the offering for current and forward settlement (up to 12 months) or the reopening of consolidated obligations, as necessary, and authorize the maturities, rates of interest, terms and conditions thereof, subject to the provisions of 31 U.S.C. 9108.

(b) Consolidated obligations may be offered for sale only to the extent that Banks are committed to take the proceeds.

(c) Consolidated obligations shall not be purchased by any Bank as part of an initial issuance whether such consolidated obligation is purchased directly from the Office of Finance or indirectly from an underwriter.

(d) If the Banks issue consolidated obligations denominated in a currency other than U.S. Dollars or linked to equity or commodity prices, then any Bank accepting proceeds from those consolidated obligations shall meet the following requirements with regard to such consolidated obligations:

(1) The relevant foreign exchange, equity price or commodity price risks associated with the consolidated obligation must be hedged in accordance with § 1267.4 of this chapter;

(2) If there is a default on the part of a counterparty to a contract hedging the foreign exchange, equity or commodity price risk associated with a consolidated obligation, the Bank shall enter into a replacement contract in a timely manner and as soon as market conditions permit.

[76 FR 18369, Apr. 4, 2011, as amended at 81 FR 76298, Nov. 2, 2016]

### § 1270.10 Joint and several liability.

(a) *In general*—(1) Each and every Bank, individually and collectively, has an obligation to make full and

timely payment of all principal and interest on consolidated obligations when due.

(2) Each and every Bank, individually and collectively, shall ensure that the timely payment of principal and interest on all consolidated obligations is given priority over, and is paid in full in advance of, any payment to or redemption of shares from any shareholder.

(3) The provisions of this part shall not limit, restrict or otherwise diminish, in any manner, the joint and several liability of all of the Banks on any consolidated obligation.

(b) *Certification and reporting*—(1) Before the end of each calendar quarter, and before declaring or paying any dividend for that quarter, the President of each Bank shall certify in writing to FHFA that, based on known current facts and financial information, the Bank will remain in compliance with the liquidity requirements set forth in section 11(g) of the Act (12 U.S.C. 1431(g)), and any regulations (as the same may be amended, modified or replaced), and will remain capable of making full and timely payment of all of its current obligations, including direct obligations, coming due during the next quarter.

(2) A Bank shall immediately provide written notice to FHFA if at any time the Bank:

(i) Is unable to provide the certification required by paragraph (b)(1) of this section;

(ii) Projects at any time that it will fail to comply with statutory or regulatory liquidity requirements, or will be unable to timely and fully meet all of its current obligations, including direct obligations, due during the quarter;

(iii) Actually fails to comply with statutory or regulatory liquidity requirements or to timely and fully meet all of its current obligations, including direct obligations, due during the quarter; or

(iv) Negotiates to enter or enters into an agreement with one or more other Banks to obtain financial assistance to meet its current obligations, including direct obligations, due during the quarter; the notice of which shall be accompanied by a copy of the agreement, which shall be subject to the approval of FHFA.

(c) *Consolidated obligation payment plans*—(1) A Bank promptly shall file a consolidated obligation payment plan for FHFA approval:

(i) If the Bank becomes a non-complying Bank as a result of failing to provide the certification required in paragraph (b)(1) of this section;

(ii) If the Bank becomes a non-complying Bank as a result of being required to provide the notice required pursuant to paragraph (b)(2) of this section, except in the event that a failure to make a principal or interest payment on a consolidated obligation when due was caused solely by a temporary interruption in the Bank's debt servicing operations resulting from an external event such as a natural disaster or a power failure; or

(iii) If FHFA determines that the Bank will cease to be in compliance with the statutory or regulatory liquidity requirements, or will lack the capacity to timely and fully meet all of its current obligations, including direct obligations, due during the quarter.

(2) A consolidated obligation payment plan shall specify the measures the non-complying Bank will undertake to make full and timely payments of all of its current obligations, including direct obligations, due during the applicable quarter.

(3) A non-complying Bank may continue to incur and pay normal operating expenses incurred in the regular course of business (including salaries, benefits, or costs of office space, equipment and related expenses), but shall not incur or pay any extraordinary expenses, or declare, or pay dividends, or redeem any capital stock, until such time as FHFA has approved the Bank's consolidated obligation payment plan or inter-Bank assistance agreement, or ordered another remedy, and all of the non-complying Bank's direct obligations have been paid.

(d) *FHFA payment orders; Obligation to reimburse*—(1) FHFA, in its discretion and notwithstanding any other provision in this section, may at any time order any Bank to make any principal or interest payment due on any consolidated obligation.

(2) To the extent that a Bank makes any payment on any consolidated obligation on behalf of another Bank, the paying Bank shall be entitled to reimbursement from the non-complying Bank, which shall have a corresponding obligation to reimburse the Bank providing assistance, to the extent of such payment and other associated costs (including interest to be determined by FHFA).

(e) *Adjustment of equities*—(1) Any non-complying Bank shall apply its assets to fulfill its direct obligations.

(2) If a Bank is required to meet, or otherwise meets, the direct obligations of another Bank due to a temporary interruption in the latter Bank's debt servicing operations (*e.g.*, in the event of a natural disaster or power failure), the assisting Bank shall have the same right to reimbursement set forth in paragraph (d)(2) of this section.

(3) If FHFA determines that the assets of a non-complying Bank are insufficient to satisfy all of its direct obligations as set forth in paragraph (e)(1) of this section, then FHFA may allocate the outstanding liability among the remaining Banks on a *pro rata* basis in proportion to each Bank's participation in all consolidated obligations outstanding as of the end of the most recent month for which FHFA has data, or otherwise as FHFA may prescribe.

(f) *Reservation of authority*. Nothing in this section shall affect the Director's authority to adjust equities between the Banks in a manner different than the manner described in paragraph (e) of this section, or to take enforcement or other action against any Bank pursuant to the Director's authority under the Safety and Soundness Act or the Bank Act, or otherwise to supervise the Banks and ensure that they are operated in a safe and sound manner.

(g) *No rights created*—(1) Nothing in this part shall create or be deemed to create any rights in any third party.

(2) Payments made by a Bank toward the direct obligations of another Bank are made for the sole purpose of discharging the joint and several liability of the Banks on consolidated obligations.

(3) Compliance, or the failure to comply, with any provision in this section shall not be deemed a default under the terms and conditions of the consolidated obligations.

### § 1270.11 Savings clause.

Any agreements or other instruments entered into in connection with the issuance of consolidated obligations prior to the amendments made to this part shall continue in effect with respect to all consolidated obligations issued under the authority of section 11 of the Bank Act (12 U.S.C. 1431) and pursuant to this part. References to consolidated obligations in such agreements and instruments shall be deemed to refer to all joint and several obligations of the Banks.

## Subpart D—Book-Entry Procedure for Consolidated Obligations

### § 1270.12 Law governing rights and obligations of Banks, FHFA, Office of Finance, United States and Federal Reserve Banks; rights of any Person against Banks, FHFA, Office of Finance, United States and Federal Reserve Banks.

(a) Except as provided in paragraph (b) of this section, the rights and obligations of the Banks, FHFA, the Director, the Office of Finance, the United States and the Federal Reserve Banks with respect to: A Book-entry consolidated obligation or Security Entitlement and the operation of the Book-entry system, as it applies to consolidated obligations; and the rights of any Person, including a Participant, against the Banks, FHFA, the Director, the Office of Finance, the United States and the Federal Reserve Banks with respect to: A Book-entry consolidated obligation or Security Entitlement and the operation of the Book-entry system, as it applies to consolidated obligations; are governed solely by regulations of FHFA, including the regulations of this part 1270, the applicable offering notice, applicable procedures established by the Office of Finance, and Federal Reserve Bank Operating Circulars.

(b) A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Participant and that is not recorded on the books of a Federal Reserve Bank pursuant to

§ 1270.14(c)(1), is governed by the law (not including the conflict-of-law rules) of the jurisdiction where the head office of the Federal Reserve Bank maintaining the Participant's Securities Account is located. A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Person that is not a Participant, and that is not recorded on the books of a Federal Reserve Bank pursuant to § 1270.14(c)(1), is governed by the law determined in the manner specified in § 1270.13.

(c) If the jurisdiction specified in the first sentence of paragraph (b) of this section is a State that has not adopted Revised Article 8, then the law specified in the first sentence of paragraph (b) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State.

### § 1270.13 Law governing other interests.

(a) To the extent not inconsistent with this part 1270, the law (not including the conflict-of-law rules) of a Securities Intermediary's jurisdiction governs:

(1) The acquisition of a Security Entitlement from the Securities Intermediary;

(2) The rights and duties of the Securities Intermediary and Entitlement Holder arising out of a Security Entitlement;

(3) Whether the Securities Intermediary owes any duties to an adverse claimant to a Security Entitlement;

(4) Whether an Adverse Claim can be asserted against a Person who acquires a Security Entitlement from the Securities Intermediary or a Person who purchases a Security Entitlement or interest therein from an Entitlement Holder; and

(5) Except as otherwise provided in paragraph (c) of this section, the perfection, effect of perfection or non-perfection, and priority of a security interest in a Security Entitlement.

(b) The following rules determine a ''Securities Intermediary's jurisdiction'' for purposes of this section:

(1) If an agreement between the Securities Intermediary and its Entitlement Holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(2) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify the governing law as provided in paragraph (b)(1) of this section, but expressly specifies that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(3) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraphs (b)(1) or (b)(2) of this section, the Securities Intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the Entitlement Holder's account.

(4) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraphs (b)(1) or (b)(2) of this section and an account statement does not identify an office serving the Entitlement Holder's account as provided in paragraph (b)(3) of this section, the Securities Intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the Securities Intermediary.

(c) Notwithstanding the general rule in paragraph (a)(5) of this section, the law (but not the conflict-of-law rules) of the jurisdiction in which the Person creating a security interest is located governs whether and how the security interest may be perfected automatically or by filing a financing statement.

(d) If the jurisdiction specified in paragraph (b) of this section is a State that has not adopted Revised Article 8, then the law for the matters specified in paragraph (a) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State. For purposes of the application of the matters specified in paragraph (a) of this section, the Federal Reserve Bank maintaining the Securities Account is a clearing corporation, and the Participant's interest in a Bank Book-entry Security is a Security Entitlement.

### § 1270.14 Creation of Participant's Security Entitlement; security interests.

(a) A Participant's Security Entitlement is created when a Federal Reserve Bank indicates by book entry that a Book-entry consolidated obligation has been credited to a Participant's Securities Account.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including, without limitation, deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the Securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Federal Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the Security. For purposes of this paragraph (b), an ''authorized representative of the United States'' is the official designated in the applicable regulations or agreement to which a Federal Reserve Bank is a party, governing the security interest.

(c)(1) The Banks, FHFA, the Director, the Office of Finance, the United States and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in a Security Entitlement in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the extent set forth in any specific agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Federal Reserve Bank, or the Federal Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Federal Reserve Bank or a Person may be created and perfected by a Federal Reserve Bank marking its books to record the security interest. Except as provided in paragraph (b) of this section, a security interest in a Security Entitlement marked on the books of a Federal Reserve Bank shall have priority over any other interest in the Securities.

(2) In addition to the method provided in paragraph (c)(1) of this section, a security interest in a Security Entitlement, including a security interest in favor of a Federal Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in §1270.12(b) or §1270.13. The perfection, effect of perfection or nonperfection, and priority of a security interest are governed by that applicable law. A security interest in favor of a Federal Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under that law, including with respect to the effect of perfection and priority of the security interest. A Federal Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

### § 1270.15 Obligations of the Banks and the Office of Finance; no Adverse Claims.

(a) Except in the case of a security interest in favor of the United States or a Federal Reserve Bank or otherwise as provided in §1270.14(c)(1), for the purposes of this part 1270, the Banks, the Office of Finance and the Federal Reserve Banks shall treat the Participant to whose Securities Account an interest in a Book-entry consolidated obligations has been credited as the person exclusively entitled to issue a Transfer Message, to receive interest and other payments with respect thereof and otherwise to exercise all the rights and powers with respect to the Security, notwithstanding any information or notice to the contrary. Neither the Banks, FHFA, the Director, the Office of Finance, the United States, nor the Federal Reserve Banks are liable to a Person asserting or having an Adverse Claim to a Security Entitlement or to Book-entry consolidated obligations in a Participant's Securities Account, including any such claim arising as a result of the transfer

or disposition of a Book-entry consolidated obligation by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

(b) The obligation of the Banks and the Office of Finance to make payments of interest and principal with respect to Book-entry consolidated obligations is discharged at the time payment in the appropriate amount is made as follows:

(1) Interest on Book-entry consolidated obligations is either credited by a Federal Reserve Bank to a Funds Account maintained at the Federal Reserve Bank or otherwise paid as directed by the Participant.

(2) Book-entry consolidated obligations are paid, either at maturity or upon redemption, in accordance with their terms by a Federal Reserve Bank withdrawing the securities from the Participant's Securities Account in which they are maintained and by either crediting the amount of the proceeds, including both principal and interest, where applicable, to a Funds Account at the Federal Reserve Bank or otherwise paying such principal and interest as directed by the Participant. No action by the Participant is required in connection with the payment of a Book-entry consolidated obligation, unless otherwise expressly required.

### § 1270.16 Authority of Federal Reserve Banks.

(a) Each Federal Reserve Bank is hereby authorized as fiscal agent of the Office of Finance: To perform functions with respect to the issuance of Book-entry consolidated obligations, in accordance with the terms of the applicable offering notice and with procedures established by the Office of Finance; to service and maintain Book-entry consolidated obligations in accounts established for such purposes; to make payments of principal, interest and redemption premium (if any), as directed by the Office of Finance; to effect transfer of Book-entry consolidated obligations between Participants' Securities Accounts as directed by the Participants; and to perform such other duties as fiscal agent as may be requested by the Office of Finance.

(b) Each Federal Reserve Bank may issue Operating Circulars not inconsistent with this part 1270, governing the details of its handling of Book-entry consolidated obligations, Security Entitlements, and the operation of the Book-entry system under this part 1270.

### § 1270.17 Liability of Banks, FHFA, Office of Finance and Federal Reserve Banks.

The Banks, FHFA, the Director, the Office of Finance and the Federal Reserve Banks may rely on the information provided in a tender, transaction request form, other transaction documentation, or Transfer Message, and are not required to verify the information. Neither the Banks, FHFA, the Director, the Office of Finance, the United States, nor the Federal Reserve Banks shall be liable for any action taken in accordance with the information set out in a tender, transaction request form, other transaction documentation, or Transfer Message, or evidence submitted in support thereof.

### § 1270.18 Additional requirements; notice of attachment for Book-entry consolidated obligations.

(a) *Additional requirements.* In any case or any class of cases arising under the regulations in this part 1270, the Office of Finance may require such additional evidence and a bond of indemnity, with or without surety, as may in its judgment, or in the judgment of the Banks or FHFA, be necessary for the protection of the interests of the Banks, FHFA, the Office of Finance or the United States.

(b) *Notice of attachment.* The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the debtor's securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor's interest may be reached by legal process upon the secured party. The regulations in this part 1270 do not purport to establish whether a Federal Reserve Bank is required to honor an order or other notice of attachment in any particular case or class of cases.

### § 1270.19 Reference to certain Department of Treasury commentary and determinations.

Notwithstanding provisions in § 1270.6 regarding Department of Treasury regulations set forth in 31 CFR part 357:

(a) The Department of Treasury TRADES Commentary (31 CFR part 357, appendix B) addressing the Department of Treasury regulations governing book-entry procedure for Treasury Securities is hereby referenced, so far as applicable and as necessarily modified to relate to Book-entry consolidated obligations, as an interpretive aid to this subpart D of this part.

(b) Determinations of the Department of Treasury regarding whether a State shall be considered to have adopted Revised Article 8 for purposes of 31 CFR part 357, as published in the FEDERAL REGISTER or otherwise, shall also apply to this subpart D of this part.

### § 1270.20 Consolidated obligations are not obligations of the United States or guaranteed by the United States.

Consolidated obligations are not obligations of the United States and are not guaranteed by the United States.

# PART 1272—NEW BUSINESS ACTIVITIES

Sec.

AUTHORITY: 12 U.S.C. 1431(a), 1432(a), 4511(b), 4513, 4526(a).

SOURCE: 81 FR 91694, Dec. 19, 2016, unless otherwise noted.

### § 1272.1 Definitions.

As used in this part:

*Business Day* means any calendar day other than a Saturday, Sunday, or legal public holiday listed in 5 U.S.C. 6103.

*NBA Notice Date* means the date on which FHFA receives a new business activity notice.

*New business activity (NBA)* means any business activity undertaken, transacted, conducted, or engaged in by a Bank that entails material risks not previously managed by the Bank. A Bank's acceptance of a new type of advance collateral does not constitute an NBA.

### § 1272.2 Limitation on Bank authority to undertake new business activities.

No Bank shall undertake an NBA except in accordance with the procedures set forth in this part.

### § 1272.3 New business activity notice requirement.

Prior to undertaking an NBA, a Bank shall submit a written notice of the proposed NBA that provides a thorough, meaningful, complete, and specific description of the activity such that FHFA will be able to make an informed decision regarding the proposed activity. At a minimum, the notice should include the following information:

(a) A written opinion of counsel identifying the specific statutory, regulatory, or other legal authorities under which the NBA is authorized and, for submissions raising legal questions of first impression, a reasoned analysis explaining how the cited authorities can be construed to authorize the new activity;

(b) A full description of the proposed activity, including, when applicable, infographics and definitions of key terms. In addition, the Bank shall indicate whether the proposed activity represents a modification to a previously approved activity in which the Bank is engaged or is an activity that FHFA has approved for any other Banks, if known to the requesting Bank, and if applicable;

(c) A discussion of why the Bank proposes to engage in the new activity and how the activity supports the housing finance and community investment mission of the Bank;

(d) A discussion of the risks presented by the new activity and how the Bank will manage these risks; and

(e) A good faith estimate of the anticipated dollar volume of the activity, and the income and expenses associated with implementing and operating the new activity, over the initial three years of operation.

### § 1272.4 Review process.

(a) Within 30 business days of the NBA Notice Date, FHFA will take one of the following actions:

(1) Approve the proposed NBA;

(2) Deny the proposed activity; or

(3) Inform the Bank that the activity raises policy, legal, or supervisory issues that require further evaluation. If FHFA fails to take any of those actions by the 30th business day following the NBA Notice Date, the NBA notice shall be deemed to have been approved and the Bank may commence the activity for which the notice was submitted.

(b) In the case of any notice that FHFA has determined requires further evaluation, FHFA will approve or deny the notice by no later than the 80th business day following the NBA Notice Date. If FHFA fails to approve or deny a NBA notice by that date, and the Director has not extended the review period, the NBA notice shall be deemed to have been approved and the Bank may commence the activity for which the notice was submitted.

(c) For purposes of calculating the review period, no days will be counted between the date that FHFA has requested additional information from the Bank pursuant to §1272.5 and the date that the Bank responds to all questions communicated.

(d) Notwithstanding anything contained in this part, the Director may extend the 80 business-day review period by an additional 60 business days if the Director determines that additional time is required to consider the notice. In such a case, FHFA will inform the Bank of any such extension before the 80th business day following the NBA Notice Date, and the Bank may not commence the NBA until FHFA has affirmatively approved the notice.

(e) In considering any NBA notice, FHFA will assess whether the proposed activity will be conducted in a safe and sound manner and is consistent with the housing finance, community investment, and liquidity missions of the Banks and the cooperative nature of the Bank System. FHFA may deny an NBA notice or may approve the notice, which approval may be made subject to the Bank's compliance with any conditions that FHFA determines are appropriate to ensure that the Bank conducts the new activity in a safe and sound manner and in compliance with applicable laws or regulations and the Bank's mission.

### §1272.5 Additional information.

FHFA may request additional information from a Bank necessary to issue a determination regarding an NBA. After an initial request for information, FHFA may make subsequent requests for information only to the extent that the information provided by the Bank does not fully respond to a previous request, the subsequent request seeks information needed to clarify the Bank's previous response, or the information provided by the Bank raises new legal, policy, or supervisory issues not evident based on the Bank's NBA notice or responses to previous requests for information. Nothing contained in this paragraph shall limit the Director's authority to request additional information from a Bank regarding an NBA for which the Director has extended the review period.

### §1272.6 Examinations.

Nothing in this part shall limit in any manner the right of FHFA to conduct any examination of any Bank relating to its implementation of an NBA, including pre- or post-implementation safety and soundness examinations, or review of contracts or other agreements between the Bank and any other party.

### §1272.7 Approval of notices.

The Deputy Director for Federal Home Loan Bank Regulation may approve requests from a Bank seeking approval of any NBA notice submitted in accordance with this part. The Director reserves the right to modify, rescind, or supersede any such approval granted by the Deputy Director, with such action being effective only on a prospective basis.

At a minimum, such policy shall provide that an Independent Director may not:

(A) Be an officer, director, or employee of any Bank or member of a Bank, or have been an officer, director, or employee of a Bank or member of a Bank during the previous three years;

(B) Be an officer or employee of the OF, or have been an officer or employee of the OF during the previous three years; or

(C) Be affiliated with any consolidated obligations selling or dealer group under contract with OF, or hold shares or any other financial interest in any entity that is part of a consolidated obligations seller or dealer group in an amount greater than the lesser of $250,000 or 0.01% of the market capitalization of the seller or dealer group, or in an amount that exceeds $1,000,000 for all entities that are part of any consolidated obligations seller dealer group, combined. For purposes of this paragraph (a)(2)(iii)(C), a holding company of an entity that is part of a consolidated obligations seller or dealer group shall be deemed to be part of the consolidated obligations selling or dealer group if the assets of the holding company's subsidiaries that are part of a consolidated obligation seller or dealer group constitute 35% or more of the consolidated assets of the holding company.

(b) *Terms.* (1) Except as provided in paragraph (b)(2) of this section, each Independent Director shall serve for five-year terms (which shall be staggered so that no more than one Independent Director seat would be scheduled to become vacant in any one year), and shall be subject to removal or suspension in accordance with §1273.4(a). An Independent Director may not serve more than two full, consecutive terms, provided that any partial term served by an Independent Director pursuant to paragraph (b)(2) of this section shall not count as a term for purposes of this restriction.

(2) The OF board of directors shall fill any vacancy among the Independent Directors occurring prior to the scheduled end of a term by majority vote, subject to FHFA's review of, and non-objection to, the new Independent Director. The OF board of directors shall provide FHFA with the same biographic and background information about the new Independent Director required under paragraph (c) of this section, and FHFA shall have the same rights of non-objection to the

Independent Director (and to appoint a different Independent Director) as set forth in paragraph (c) of this section. A person shall be elected (or otherwise appointed by FHFA) under this paragraph (b)(2) to serve only for the remainder of the term associated with the vacant directorship.

(c) *Election of Independent Directors.* The Independent Directors shall be elected by majority vote of the OF board of directors, subject to FHFA's review of, and non-objection to, each Independent Director. The OF board of directors shall provide FHFA with relevant biographic and background information, including information demonstrating that the new Independent Director meets the requirements of paragraph (a)(2) of this section, at least 20 business days before the person assumes any duties as a member of the OF board of directors. If the OF board of directors, in FHFA's judgment, fails to elect a suitably qualified person, FHFA may appoint some other person who meets the requirements of paragraph (a)(2) of this section. FHFA will provide notice of its objection to a particular Independent Director prior to the date that such Director is to assume duties as a member of the OF board of directors. Such notice shall indicate whether, given FHFA's objection, FHFA intends to fill the seat through appointment or a new election should be held by the OF board of directors.

(d) *Election of Chair and Vice-Chair.* (1) The Chair shall be elected by majority vote of the OF board of directors from among the Independent Directors then serving on the OF board of directors, and the Vice Chair shall be elected by majority vote of the OF board of directors from among all directors.

(2) The OF board of directors shall promptly inform FHFA of the election of a Chair or Vice Chair. If FHFA objects to any Chair or Vice Chair elected by the OF board of directors, FHFA shall provide written notice of its objection within 20 business days of the date that FHFA first receives the notice of the election of the Chair and or Vice Chair, and the OF board of directors must then promptly elect a new Chair or Vice Chair, as appropriate.

(e) *By-laws and Committees.* (1) The OF board of directors shall adopt by-laws governing the manner in which the board conducts its affairs, which shall be consistent with the requirements of this part and other applicable laws and regulations as administered by FHFA. The by-laws of the board of directors shall be subject to review and approval by FHFA.

(2) In addition to the Audit Committee required under §1273.9, the OF board of directors may establish other committees, including an Executive Committee. The duties and powers of such committee, including any powers delegated by the OF board of directors, shall be specified in the by-laws of the board of directors or the charter of the committee.

(f) *Compensation.* (1) The Bank presidents shall not receive any additional compensation or reimbursement as a result of their service as a director of the OF board.

(2) The OF shall pay reasonable compensation and expenses to the Independent Directors in accordance with the requirements for payment of compensation and expenses to Bank directors as set forth in part 1261 of this chapter.

(g) *Corporate Governance and Indemnification*—(1) *General.* The corporate governance practices and procedures of the OF, and practices and procedures related to indemnification (including advancement of expenses) shall comply with applicable Federal law, rules, and regulations.

(2) *Election and designation of body of law.* (i) To the extent not inconsistent with paragraph (g)(1) of this section, the OF shall elect to follow the corporate governance and indemnification practices and procedures set forth in one of the following:

(A) The law of the jurisdiction in which the principal office of the OF is located;

(B) The Delaware General Corporation Law (Del. Code Ann. Title 8); or

(C) The Revised Model Business Corporation Act.

(ii) The OF board of directors shall designate in its by-laws the body of law elected pursuant to this paragraph (g)(2).

(3) *Indemnification.* Subject to paragraphs (g)(1) and (2) of this section, to the extent applicable, the OF shall indemnify (and advance the expenses of) its directors, officers, and employees under such terms and conditions as are determined by the OF board of directors. The OF shall be authorized to maintain insurance for its directors, the CEO, and any other officer or employee of the OF. Nothing in this paragraph (g)(3) shall affect any rights to indemnification (including the advancement of expenses) that a director, the CEO, or any other officer or employee of the OF had with respect to any actions, omissions, transactions, or facts occurring prior to December 2, 2016.

(h) *Delegation.* In addition to any delegation to a committee allowed under paragraph (e) of this section, the OF board of directors may delegate any of its authority or duties to any employee of the OF in order to enable OF to carry out its functions.

(i) *Outside staff and consultants.* In carrying out its duties and responsibilities, the OF board of directors, or any committee thereof, shall have authority to retain staff and outside counsel, independent accountants, or other outside consultants at the expense of the OF.

### § 1273.8 General duties of the OF board of directors.

(a) *General.* Each director shall have the duty to:

(1) Carry out his or her duties as director in good faith, in a manner such director believes to be in the best interests of the OF and the Bank System, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances;

(2) Administer the affairs of the OF fairly and impartially and without discrimination in favor of or against any Bank;

(3) At the time of appointment or election, or within a reasonable time thereafter, have a working familiarity with basic finance and accounting practices, including the ability to read and understand the Banks' combined balance sheets and income statements and the relevant financial statements of the OF and to ask substantive questions of management and the internal and external auditors with regard to both the combined financial statements of the Bank System and the operations and financial statements of the OF, as appropriate; and

(4) Direct the operations of the OF in conformity with the requirements set forth in the Bank Act, Safety and Soundness Act, and this chapter.

(b) *Meetings and quorum.* The OF board of directors shall conduct its business by majority vote of its members at meetings convened in accordance with its by-laws, and shall hold no fewer than six in-person meetings annually. (2) Prohibit the issuance of COs intended to be privately placed with or sold without the participation of an underwriter to retail investors, or issued with a concession structure designed to facilitate the placement of the COs in retail accounts, unless the OF has given notice to the board of directors of each Bank describing a policy permitting such issuances, soliciting comments from each Bank's board of directors, and considering the comments received before adopting a policy permitting such issuance activities;

(3) Require all broker-dealers or underwriters under contract to the OF to have and maintain adequate suitability sales practices and policies, which shall be acceptable to, and subject to review by, the OF;

(4) Require that COs shall be issued efficiently and at the lowest all-in funding costs over time, consistent with—

(i) Prudent risk-management practices, prudential debt parameters, short and long-term market conditions, and the Banks' role as GSEs;

(ii) Maintaining reliable access to the short-term and long-term capital markets; and

(iii) Positioning the issuance of debt to take advantage of current and future capital market opportunities.

(d) *Other duties.* The OF board of directors shall:

(5) Assume any other responsibilities that may from time to time be assigned to it by FHFA.

(e) *No rights created.* Nothing in this part shall create or be deemed to create any rights in any third party.

## §1273.9 Audit Committee.

(a) *Composition.* The Independent Directors shall serve as the Audit Committee. The Audit Committee shall elect its chairperson from among its members. The Chairperson of the OF may also serve as chairperson of the Audit Committee, if the Audit Committee members so decide.

(b) *Responsibilities.* (1) The Audit Committee shall be responsible for overseeing the audit function of the OF and the preparation and the accurate and meaningful combination of information submitted by the Banks in the Bank System's combined financial reports.

(2) For purposes of the combined financial reports, the Audit Committee shall ensure that the Banks adopt consistent accounting policies and procedures to the extent necessary for information submitted by the Banks to the OF to be combined to create accurate and meaningful combined financial reports.

(3) The Audit Committee, in consultation with FHFA, may establish common accounting policies and procedures for the information submitted by the Banks to the OF for the combined financial reports where the Committee determines such information provided by the several Banks is inconsistent and that consistent policies and procedures regarding that information are necessary to create accurate and meaningful combined financial reports.

(4) To the extent possible the Audit Committee shall operate consistent with the requirements pertaining to audit committee reports set forth in Item 407(d)(3) of Regulation S–K promulgated by the Securities and Exchange Commission.

(5) The Audit Committee shall oversee internal audit activities, including the selection, evaluation, compensation, and, where appropriate, replacement of the internal auditor. The internal auditor shall report directly to the Audit Committee on substantive matters, and is ultimately accountable to the Audit Committee and the board of directors.

(6) The Audit Committee shall have the exclusive authority to employ and contract for the services of an independent, external auditor for the

Banks' annual and quarterly combined financial statements and of an independent, external auditor for OF.

(7) The Audit Committee shall direct senior management to maintain the reliability and integrity of the accounting policies and financial reporting of the OF.

(8) The Audit Committee shall review the basis for the OF's financial statements and the external auditor's opinion rendered with respect to such financial statements.

(9) The Audit Committee shall ensure that senior management has established and is maintaining an adequate internal control system within the OF by:

(i) Reviewing the OF's internal control system and the resolution of identified material weaknesses and reportable conditions in the internal control system, including the prevention or detection of management override or compromise of the internal control system; and

(ii) Reviewing the programs and policies of the OF designed to ensure compliance with applicable laws, regulations, and policies and monitoring the results of these compliance efforts.

(10) The Audit Committee shall review the policies and procedures established by senior management to assess and monitor implementation of the OF strategic business plan and the operating goals and objectives contained therein.

(11) The Audit Committee shall provide an independent, direct channel of communication between the OF's board of directors and the internal and external auditors.

(13) The Audit Committee shall report periodically its findings to the OF's board of directors.

(14) The Audit Committee shall prepare written minutes of each Audit Committee meeting.

(c) *Charter.* (1) The Audit Committee shall adopt, and the OF board of directors shall approve, a formal written charter, consistent with the duties and authority set forth in this section, that specifies the scope of the Audit Committee's powers and responsibilities. The Audit Committee and the OF board of directors shall:

(i) Review, and assess the adequacy of and, where appropriate, amend the Audit Committee charter on an annual basis; and

(ii) Re-adopt and re-approve, respectively, the Audit Committee charter not less often than every three years.

(2) The charter of the Audit Committee shall be subject to review and approval by FHFA.

## APPENDIX A TO PART 1273—EXCEPTIONS TO THE GENERAL DISCLOSURE STANDARDS

*A. Related-party transactions.* Item 404 of Regulation S–K, 17 CFR 229.404, requires the disclosure of certain relationships and related party transactions. In light of the cooperative nature of the Bank System, related-party transactions are to be expected, and a disclosure of all related-party transactions that meet the threshold would not be meaningful. Instead, the combined annual report will disclose the percent of advances to members an officer of which serves as a Bank director, and list the top ten holders of advances in the Bank System and the top five holders of advances by Bank, with a further disclosure indicating which of these members had an officer that served as a Bank director. The combined financial report will also disclose the top ten holders of advances in the Bank System by holding company, where the advances of all affiliates within a holding company are aggregated.

*B. Biographical information.* The biographical information required by Items 401 and 405 of Regulation S–K, 17 CFR 229.401 and 405, will be provided only for members of the OF board of directors, including the Bank presidents, the Chair and Vice-Chair of the board of directors of each Bank, and the Chief Executive Officer of OF.

*C. Compensation.* The information on compensation required by Item 402 of Regulation S–K, 17 CFR 229.402, will be provided only for Bank presidents and the CEO of the OF.

*D. Submission of matters to a vote of stockholders.* No information will be presented on matters submitted to shareholders for a vote, as otherwise required by Item 4 of the SEC's form 10–K, 17 CFR 249.310.

*E. Exhibits.* The exhibits required by Item 601 of Regulation S–K, 17 CFR 229.601, are not applicable and will not be provided.

*F. Per share information.* The statement of financial information required by Items 301 and 302 of Rule S–K, 17 CFR 229.301 and 302, is inapplicable because the shares of the Banks are subscription capital that trades at par, and the shares expand or contract with changes in member assets or advance levels.

*G. Beneficial ownership.* Item 403 of Rule S–K, 17 CFR 229.403, requires the disclosure of security ownership of certain beneficial owners and management. The combined financial report will provide a listing of the ten largest holders of capital stock in the Bank System and a listing of the five largest holders of capital stock by Bank. This listing will also indicate which members had an officer that served as a director of a Bank. The combined financial report will also disclose the top ten holders of Bank stock in the Bank System by holding company, where the Bank stock of all affiliates within a holding company is aggregated.

(c) All audits must be conducted in accordance with generally accepted auditing standards and in accordance with the most current government auditing standards issued by the Office of the Comptroller General of the United States.

## § 1274.3 Requirements to provide financial and other information to FHFA and the OF.

In order to facilitate the preparation by the OF of combined Bank System annual and quarterly reports, each Bank shall provide to the OF in such form and within such timeframes as FHFA or the OF shall specify, all financial and other information and assistance that the OF shall request for that purpose. Nothing in this section shall contravene or be deemed to circumscribe in any manner the authority of FHFA to obtain any information from any Bank related to the preparation or review of any financial report.

## Subpart B—Bank Capital Requirements

SOURCE: 84 FR 5326, Feb. 20, 2019, unless otherwise noted.

### § 1277.2 Total capital requirement.

Each Bank shall maintain at all times:

(a) Total capital in an amount at least equal to 4.0 percent of the Bank's total assets; and

(b) A leverage ratio of total capital to total assets of at least 5.0 percent of the Bank's total assets. For purposes of determining this leverage ratio, total capital shall be computed by multiplying the Bank's permanent capital by 1.5 and adding to this product all other components of total capital.

### § 1277.3 Risk-based capital requirement.

Each Bank shall maintain at all times permanent capital in an amount at least equal to the sum of its credit risk capital requirement, its market risk capital requirement, and its operational risk capital requirement, calculated in accordance with §§ 1277.4, 1277.5, and 1277.6, respectively.

### § 1277.4 Credit risk capital requirement.

(a) *General requirement.* Each Bank's credit risk capital requirement shall equal the sum of the Bank's individual credit risk capital charges for all advances, residential mortgage assets, CMOs, non-mortgage assets, non-rated assets, off-balance sheet items, and derivative contracts, as calculated in accordance with this section.

(b) *Credit risk capital charge for residential mortgage assets and collateralized mortgage obligations.* The credit risk capital charge for residential mortgages, residential mortgage pools, residential mortgage securities, and collateralized mortgage obligations shall be determined as set forth in paragraph (g) of this section.

(c) *Credit risk capital charge for advances, non-mortgage assets, and non-rated assets.* Except as provided in paragraph (j) of this section, each Bank's credit risk capital charge for advances, non-mortgage assets, and non-rated assets shall be equal to the amortized cost of the asset multiplied by the credit risk percentage requirement assigned to that asset pursuant to paragraph (f)(1) or (2) of this section. For any such asset carried at fair value where any change in fair value is recognized in the Bank's income, the Bank shall calculate the capital charge based on the fair value of the asset rather than its amortized cost.

(d) *Credit risk capital charge for off-balance sheet items.* Each Bank's credit risk capital charge for an off-balance sheet item shall be equal to the credit

equivalent amount of such item, as determined pursuant to paragraph (h) of this section, multiplied by the credit risk percentage requirement assigned to that item pursuant to paragraph (f)(1) of this section and Table 2 to this section, except that the credit risk percentage requirement applied to the credit equivalent amount for a standby letter of credit shall be that for an advance with the same remaining maturity as that of the standby letter of credit, as specified in Table 1 to this section.

(e) *Derivative contracts.* (1) Except as provided in paragraphs (e)(4) (transactions with members) and (5) (cleared transactions and foreign exchange rate contracts) of this section, the credit risk capital charge for a derivative contract entered into by a Bank shall equal, after any adjustment allowed under paragraph (e)(2) of this section, the sum of:

(i) The current credit exposure for the derivative contract, calculated in accordance with paragraph (i)(1) of this section, multiplied by the credit risk percentage requirement assigned to that derivative contract pursuant to Table 2 to this section, provided that a Bank shall use the credit risk percentages from the column for instruments with maturities of one year or less for all such derivative contracts; plus

(ii) The potential future credit exposure for the derivative contract, calculated in accordance with paragraph (i)(2) of this section, multiplied by the credit risk percentage requirement assigned to that derivative contract pursuant to Table 2 to this section, where a Bank uses the actual remaining maturity of the derivative contract for the purpose of applying Table 2 to this section; plus

(iii) A credit risk capital charge applicable to the undiscounted amount of collateral posted by the Bank with respect to a derivative contract that exceeds the Bank's current payment obligation under that derivative contract, where the charge equals the amount of such excess collateral multiplied by the credit risk percentage requirement assigned under Table 2 to this section for the custodian or other party that holds the collateral, and where a Bank deems the exposure to have a remaining maturity of one year or less when applying Table 2 to this section.

(2)(i) A Bank may reduce the credit risk capital charge calculated under paragraph (e)(1) of this section by the amount of the discounted value of any collateral that is held by or on behalf of the Bank against an exposure from the derivative contract, and that satisfies the requirements of paragraph (e)(3) of this section. If the total amount of the discounted value of the collateral is less than the credit risk capital charge calculated under paragraph (e)(1) of this section for a particular derivative contract, then the credit risk capital charge for the derivative contract shall equal the amount of the initial charge that remains after having been reduced by the collateral. A Bank that uses a counterparty's pledged collateral to reduce the capital charge against a derivative contract under this provision, shall also apply a capital charge to the amount of the pledged collateral that it has used to reduce its credit exposure on the derivative contract. The amount of that capital charge shall be equal to the capital charge that would be required under paragraph (b) or (c) of this section, whichever applies to the type of collateral, as if the Bank were to own the collateral directly. In reducing the capital charge on a particular derivative contract, the Bank shall apply the discounted value of the collateral for that derivative contract in the following manner:

(A) First, to reduce the current credit exposure of the derivative contract subject to the capital charge; and

(B) Second, and only if the total discounted value of the collateral held exceeds the current credit exposure of the contract, any remaining amounts may be applied to reduce the amount of the potential future credit exposure of the derivative contract subject to the capital charge.

(ii) If a counterparty's payment obligations to a Bank under a derivative contract are unconditionally guaranteed by a third-party, then the credit risk percentage requirement applicable to the derivative contract may be that associated with the guarantor, rather than the Bank's counterparty.

(3) The credit risk capital charge may be reduced as described in paragraph (e)(2)(i) of this section for collateral held against the derivative contract exposure only if the collateral is:

(i) Held by, or has been paid to, the Bank or held by an independent, third-party custodian on behalf of the Bank pursuant to a custody agreement that meets the requirements of §1221.7(c) and (d) of this chapter;

(ii) Legally available to absorb losses;

(iii) Of a readily determinable value at which it can be liquidated by the Bank; and

(iv) Subject to an appropriate discount to protect against price decline during the holding period and the costs likely to be incurred in the liquidation of the collateral, provided that such discount shall equal at least the minimum discount required under appendix B to part 1221 of this chapter for collateral listed in that appendix, or shall be estimated by the Bank based on appropriate assumptions about the price risks and liquidation costs for collateral not listed in appendix B to part 1221.

(4) The credit risk capital charge for any derivative contracts entered into between a Bank and its members shall be calculated in accordance with paragraph (e)(1) of this section, except that the Bank shall use the credit risk percentage requirements from Table 1 to this section, which sets forth the credit risk percentage requirements for advances.

(5) Notwithstanding any other provision in this paragraph (e), the credit risk capital charge for:

(i) A foreign exchange rate contract (excluding gold contracts) with an original maturity of 14 calendar days or less shall be zero; and

(ii) A derivative contract cleared by a derivatives clearing organization shall equal 0.16 percent times the sum of the following:

(A) The current credit exposure for the derivative contract, calculated in accordance with paragraph (i)(1)(i) of this section;

(B) The potential future credit exposure for the derivative contract calculated in accordance with paragraph (i)(2) of this section; and

(C) The amount of collateral posted by the Bank and held by the derivatives clearing organization, clearing member, or custodian in a manner that is not bankruptcy remote, but only to the extent the amount exceeds the Bank's current credit exposure to the derivatives clearing organization.

(f) *Determination of credit risk percentage requirements*—(1) *General.* (i) Each Bank shall determine the credit risk percentage requirement applicable to each advance and each non-rated asset by identifying the appropriate category from Table 1 or 3 to this section, respectively, to which the advance or non-rated asset belongs. Except as provided in paragraphs (f)(2) and (3) of this section, each Bank shall determine the credit risk percentage requirement applicable to each non-mortgage asset, off-balance sheet item, and derivative contract by identifying the appropriate category set forth in Table 2 to this section to which the asset, item, or contract belongs as determined in accordance with paragraph (f)(1)(ii) of this section, and remaining maturity. Each Bank shall use the applicable credit risk percentage requirement to calculate the credit risk capital charge for each asset, item, or contract in accordance with paragraph (c), (d), or (e) of this section, respectively. The relevant categories and credit risk percentage requirements are provided in the following Tables 1 through 3 to this section—

(ii) Each Bank shall develop a methodology to be used to assign an internal credit risk rating to each counterparty, asset, item, and contract that is subject to Table 2 to this section. The methodology shall involve an evaluation of counterparty or asset risk factors, and may incorporate, but must not rely solely on, credit ratings prepared by credit rating agencies. Each Bank shall align its various internal credit ratings to the appropriate categories of FHFA Credit Ratings included in Table 2 to this section. In doing so, FHFA Categories 7 through 1 shall include assets of progressively higher credit quality. After aligning its internal credit ratings to the appropriate categories of Table 2 to this section, each Bank shall assign each counterparty, asset, item, and contract to the appropriate FHFA Credit Rating category based on the applicable internal credit rating.

(2) *Exception for assets subject to a guarantee or secured by collateral.* (i) When determining the applicable credit risk percentage requirement from Table 1 to this section for a non-mortgage asset that is subject to an unconditional guarantee by a third-party guarantor or is secured as set forth in paragraph (f)(2)(ii) of this section, the Bank may substitute the credit risk percentage requirement associated with the guarantor or the collateral, as appropriate, for the credit risk percentage requirement associated with that portion of the asset subject to the guarantee or covered by the collateral.

(ii) For purposes of paragraph (f)(2)(i) of this section, a non-mortgage asset shall be considered to be secured if the collateral is:

(A) Actually held by the Bank, or an independent third-party custodian on the Bank's behalf, or, if posted by a Bank member and permitted under the Bank's collateral agreement with that member, by the Bank's member or an affiliate of that member where the term ''affiliate'' has the same meaning as in § 1266.1 of this chapter;

(B) Legally available to absorb losses;

(C) Of a readily determinable value at which it can be liquidated by the Bank;

(D) Held in accordance with the provisions of the Bank's member products policy established pursuant to § 1239.30 of this chapter, if the collateral has been posted by a member or an affiliate of a member; and

(E) Subject to an appropriate discount to protect against price decline during the holding period and the costs likely to be incurred in the liquidation of the collateral.

(3) *Exception for obligations of the Enterprises.* A Bank may use a credit risk capital charge of zero for any debt instrument or obligation issued by an Enterprise, other than a residential mortgage security or a collateralized mortgage obligation, provided that, and only for so long as, the Enterprise receives capital support or other form of direct financial assistance from the United States government that enables

the Enterprise to repay those obligations.

(4) *Methodology and model review.* A Bank shall provide to FHFA upon request the methodology, model, and any analyses used by the Bank to assign any non-mortgage asset, off-balance sheet item, or derivative contract to an FHFA Credit Rating category. FHFA may direct a Bank to promptly revise its methodology or model to address any deficiencies identified by FHFA.

(g) *Credit risk capital charges for residential mortgage assets*—(1) *Bank determination of credit risk percentage.* (i) Each Bank's credit risk capital charge for a residential mortgage, residential mortgage pool, residential mortgage security, or collateralized mortgage obligation shall be equal to the asset's amortized cost multiplied by the credit risk percentage requirement assigned to that asset pursuant to paragraph (g)(1)(ii) or (g)(2) of this section. For any such asset carried at fair value where any change in fair value is recognized in the Bank's income, the Bank shall calculate the capital charge based on the fair value of the asset rather than its amortized cost.

(ii) Each Bank shall determine the credit risk percentage requirement applicable to each residential mortgage, residential mortgage pool, and residential mortgage security by identifying the appropriate FHFA RMA category set forth in the following Table 4 to this section to which the asset belongs, and shall determine the credit risk percentage requirement applicable to each collateralized mortgage obligation by identifying the appropriate FHFA CMO category set forth in Table 4 to this section to which the asset belongs, with the appropriate categories being determined in accordance with paragraph (g)(1)(iii) of this section.

(iii) Each Bank shall develop a methodology to estimate the potential future stress losses on its residential mortgages, residential mortgage pools, residential mortgage securities, and collateralized mortgage obligations, as may yet occur from the current amortized cost (or fair value) of those assets, and that converts those loss estimates into a stress loss percentage for each asset, expressed as a percentage of its amortized cost (or fair value). A Bank shall use the stress loss percentage for each asset to determine the appropriate FHFA RMA or CMO ratings category for that asset, as set forth in Table 4 to this section. A Bank shall do so by assigning each such asset to the category whose credit risk percentage requirement equals the asset's stress loss percentage, or to the category with the next highest credit risk percentage requirement. For residential mortgages and residential mortgage pools, the methodology shall involve an evaluation of the residential mortgages and residential mortgage pools and any credit enhancements or guarantees, including an assessment of the creditworthiness of the providers of such enhancements or guarantees. In the case of a residential mortgage security or collateralized mortgage obligation, the methodology shall involve an evaluation of the underlying mortgage collateral, the structure of the security, and any credit enhancements or guarantees, including an assessment of the creditworthiness of the providers of such enhancements or guarantees.

| FHFA RMA 1 | 0.37 |
| FHFA RMA 2 | 0.60 |
| FHFA RMA 3 | 0.86 |
| FHFA RMA 4 | 1.20 |
| FHFA RMA 5 | 2.40 |
| FHFA RMA 6 | 4.80 |

| FHFA CMO 5 | 13.00 |
| FHFA CMO 6 | 34.00 |
| FHFA CMO 7 | 100.00 |

(2) *Exceptions.* (i) A Bank may use a credit risk capital charge of zero for any residential mortgage asset or collateralized mortgage obligation, or portion thereof, guaranteed by an Enterprise as to payment of principal and interest, provided that, and only for so long as, the Enterprise receives capital support or other form of direct financial assistance from the United States

government that enables the Enterprise to repay those obligations;

(ii) A Bank may use a credit risk capital charge of zero for any residential mortgage asset or collateralized mortgage obligation, or any portion thereof, guaranteed or insured as to payment of principal and interest by a department or agency of the United States government that is backed by the full faith and credit of the United States; and

(iii) A Bank shall provide to FHFA upon request the methodology, model, and any analyses used to estimate the potential future stress losses on its residential mortgages, residential mortgage pools, residential mortgage securities, and collateralized mortgage obligations, and to determine a stress loss percentage for each such asset. FHFA may direct a Bank to promptly revise its methodology or model to address any deficiencies identified by FHFA.

(h) *Calculation of credit equivalent amount for off-balance sheet items*—(1) *General requirement*. The credit equivalent amount for an off-balance sheet item shall be determined by an FHFA-approved model or shall be equal to the face amount of the instrument multiplied by the credit conversion factor assigned to such risk category of instruments by the following Table 5 to this section, subject to the exceptions in paragraph (h)(2) of this section.

TABLE 5 TO § 1277.4—CREDIT CONVERSION FACTORS FOR OFF-BALANCE SHEET ITEMS

| Instrument | Credit conversion factor (in percent) |
|---|---|
| Asset sales with recourse where the credit risk remains with the Bank | 100 |
| Commitments to make advances subject to certain drawdown. | |
| Commitments to acquire loans subject to certain drawdown. | |
| Standby letters of credit | 50 |
| Other commitments with original maturity of over one year. | |
| Other commitments with original maturity of one year or less | 20 |

(2) *Exceptions*. The credit conversion factor shall be zero for ''Other Commitments With Original Maturity of Over One Year'' and ''Other Commitments With Original Maturity of One Year or Less'' for which Table 5 to this section would otherwise apply credit conversion factors of 50 percent or 20 percent, respectively, if the commitments are unconditionally cancelable, or effectively provide for automatic cancellation due to the deterioration in a borrower's creditworthiness, at any time by the Bank without prior notice.

(i) *Calculation of credit exposures for derivative contracts*—(1) *Current credit exposure*—(i) *Single derivative contract*. The current credit exposure for derivative contracts that are not subject to an eligible master netting agreement shall be:

(A) If the mark-to-market value of the contract is positive, the mark-to-market value of the contract; or

(B) If the mark-to-market value of the contract is zero or negative, zero.

(ii) *Derivative contracts subject to an eligible master netting agreement*. The current credit exposure for multiple uncleared derivative contracts executed with a single counterparty and subject to an eligible master netting agreement shall be calculated on a net basis and shall equal:

(A) The net sum of all positive and negative mark-to-market values of the individual derivative contracts subject to the eligible master netting agreement, if the net sum of the mark-to-market values is positive; or

(B) Zero, if the net sum of the mark-to-market values is zero or negative.

(2) *Potential future credit exposure*. The potential future credit exposure for derivative contracts, including derivative contracts with a negative mark-to-market value, shall be calculated:

(i) Using an internal initial margin model that meets the requirements of § 1221.8 of this chapter and is approved by FHFA for use by the Bank, or using an initial margin model that has been approved under regulations similar to § 1221.8 of this chapter for use by the

Bank's counterparty to calculate initial margin for those derivative contracts for which the calculation is being done; or

(ii) By applying the standardized approach in appendix A to part 1221 of this chapter; or

(iii) Using an initial margin model that is employed by a derivatives clearing organization.

(j) *Credit risk capital charge for non-mortgage assets hedged with credit derivatives*—(1) *Credit derivatives with a remaining maturity of one year or more.* The credit risk capital charge for a non-mortgage asset that is hedged with a credit derivative that has a remaining maturity of one year or more may be reduced only in accordance with paragraph (j)(3) or (4) of this section and only if the credit derivative provides substantial protection against credit losses.

(2) *Credit derivatives with a remaining maturity of less than one year.* The credit risk capital charge for a non-mortgage asset that is hedged with a credit derivative that has a remaining maturity of less than one year may be reduced only in accordance with paragraph (j)(3) of this section and only if the remaining maturity on the credit derivative is identical to or exceeds the remaining maturity of the hedged non-mortgage asset and the credit derivative provides substantial protection against credit losses.

(3) *Credit risk capital charge reduced to zero.* The credit risk capital charge for a non-mortgage asset shall be zero if a credit derivative is used to hedge the credit risk on that asset in accordance with paragraph (j)(1) or (2) of this section, provided that:

(i) The remaining maturity for the credit derivative used for the hedge is identical to or exceeds the remaining maturity for the hedged non-mortgage asset, and either:

(A) The non-mortgage asset referenced in the credit derivative is identical to the hedged non-mortgage asset; or

(B) The non-mortgage asset referenced in the credit derivative is different from the hedged non-mortgage asset, but only if the asset referenced in the credit derivative and the hedged non-mortgage asset have been issued by the same obligor, the asset referenced in the credit derivative ranks pari passu to, or more junior than, the hedged non-mortgage asset and has the same maturity as the hedged non-mortgage asset, and cross-default clauses apply; and

(ii) The credit risk capital charge for the credit derivative contract calculated pursuant to paragraph (e) of this section is still applied.

(4) *Capital charge reduction in certain other cases.* The credit risk capital charge for a non-mortgage asset hedged with a credit derivative in accordance with paragraph (j)(1) of this section shall equal the sum of the credit risk capital charges for the hedged and unhedged portion of the non-mortgage asset provided that:

(i) The remaining maturity for the credit derivative is less than the remaining maturity for the hedged non-mortgage asset and either:

(A) The non-mortgage asset referenced in the credit derivative is identical to the hedged non-mortgage asset; or

(B) The non-mortgage asset referenced in the credit derivative is different from the hedged non-mortgage asset, but only if the asset referenced in the credit derivative and the hedged non-mortgage asset have been issued by the same obligor, the asset referenced in the credit derivative ranks pari passu to, or more junior than, the hedged non-mortgage asset and has the same maturity as the hedged non-mortgage asset, and cross-default clauses apply; and

(ii) The credit risk capital charge for the unhedged portion of the non-mortgage asset equals:

(A) The credit risk capital charge for the non-mortgage asset, calculated as the amortized cost, or fair value, of the non-mortgage asset multiplied by that asset's credit risk percentage requirement assigned pursuant to paragraph (f)(1) of this section where the appropriate credit rating is that for the non-mortgage asset and the appropriate maturity is the remaining maturity of the non-mortgage asset; minus

(B) The credit risk capital charge for the non-mortgage asset, calculated as the amortized cost, or fair value, of the non-mortgage asset multiplied by that

asset's credit risk percentage requirement assigned pursuant to paragraph (f)(1) of this section where the appropriate credit rating is that for the non-mortgage asset but the appropriate maturity is deemed to be the remaining maturity of the credit derivative; and

(iii) The credit risk capital charge for the hedged portion of the non-mortgage asset is equal to the credit risk capital charge for the credit derivative, calculated in accordance with paragraph (e) of this section.

(k) *Frequency of calculations.* Each Bank shall perform all calculations required by this section at least quarterly, unless otherwise directed by FHFA, using the advances, residential mortgages, residential mortgage pools, residential mortgage securities, collateralized mortgage obligations, non-rated assets, non-mortgage assets, off-balance sheet items, and derivative contracts held by the Bank, and, if applicable, the values of, or FHFA Credit Ratings categories for, such assets, off-balance sheet items, or derivative contracts as of the close of business of the last business day of the calendar period for which the credit risk capital charge is being calculated.

### § 1277.5 Market risk capital requirement.

(a) *General requirement.* (1) Each Bank's market risk capital requirement shall equal the market value of the Bank's portfolio at risk from movements in interest rates, foreign exchange rates, commodity prices, and equity prices that could occur during periods of market stress, where the market value of the Bank's portfolio at risk is determined using an internal market-risk model that fulfills the requirements of paragraph (b) of this section and that has been approved by FHFA.

(2) A Bank may substitute an internal cash-flow model to derive a market risk capital requirement in place of that calculated using an internal market-risk model under paragraph (a)(1) of this section, provided that:

(i) The Bank obtains FHFA approval of the internal cash-flow model and of the assumptions to be applied to the model; and

(ii) The Bank demonstrates to FHFA that the internal cash-flow model subjects the Bank's assets and liabilities, off-balance sheet items, and derivative contracts, including related options, to a comparable degree of stress for such factors as will be required for an internal market-risk model.

(b) *Measurement of market value-at-risk under a Bank's internal market-risk model.* (1) Except as provided under paragraph (a)(2) of this section, each Bank shall use an internal market-risk model that estimates the market value of the Bank's assets and liabilities, off-balance sheet items, and derivative contracts, including any related options, and measures the market value of the Bank's portfolio at risk of its assets and liabilities, off-balance sheet items, and derivative contracts, including related options, from all sources of the Bank's market risks, except that the Bank's model need only incorporate those risks that are material.

(2) The Bank's internal market-risk model may use any generally accepted measurement technique, such as variance-covariance models, historical simulations, or Monte Carlo simulations, for estimating the market value of the Bank's portfolio at risk, provided that any measurement technique used must cover the Bank's material risks.

(3) The measures of the market value of the Bank's portfolio at risk shall include the risks arising from the non-linear price characteristics of options and the sensitivity of the market value of options to changes in the volatility of the options' underlying rates or prices.

(4) The Bank's internal market-risk model shall use interest rate and market price scenarios for estimating the market value of the Bank's portfolio at risk, but at a minimum:

(i) The Bank's internal market-risk model shall provide an estimate of the market value of the Bank's portfolio at risk such that the probability of a loss greater than that estimated shall be no more than one percent;

(ii) The Bank's internal market-risk model shall incorporate scenarios that reflect changes in interest rates, interest rate volatility, option-adjusted spreads, and shape of the yield curve,

and changes in market prices, equivalent to those that have been observed over 120-business day periods of market stress. For interest rates, the relevant historical observations should be drawn from the period that starts at the end of the previous month and goes back to the beginning of 1998;

(iii) The total number of, and specific historical observations identified by the Bank as, stress scenarios shall be:

(A) Satisfactory to FHFA;

(B) Representative of the periods of the greatest potential market stress given the Bank's portfolio; and

(C) Comprehensive given the modeling capabilities available to the Bank; and

(iv) The measure of the market value of the Bank's portfolio at risk may incorporate empirical correlations among interest rates.

(5) For any consolidated obligations denominated in a currency other than U.S. Dollars or linked to equity or commodity prices, each Bank shall, in addition to fulfilling the criteria of paragraph (b)(4) of this section, calculate an estimate of the market value of its portfolio at risk resulting from material foreign exchange, equity price or commodity price risk, such that, at a minimum:

(i) The probability of a loss greater than that estimated shall not exceed one percent;

(ii) The scenarios reflect changes in foreign exchange, equity, or commodity market prices that have been observed over 120-business day periods of market stress, as determined using historical data that is from an appropriate period;

(iii) The total number of, and specific historical observations identified by the Bank as, stress scenarios shall be:

(A) Satisfactory to FHFA;

(B) Representative of the periods of the greatest potential stress given the Bank's portfolio; and

(C) Comprehensive given the modeling capabilities available to the Bank; and

(iv) The measure of the market value of the Bank's portfolio at risk may incorporate empirical correlations within or among foreign exchange rates, equity prices, or commodity prices.

(c) *Independent validation of Bank internal market-risk model or internal cash-flow model.* (1) Each Bank shall conduct an independent validation of its internal market-risk model or internal cash-flow model within the Bank that is carried out by personnel not reporting to the business line responsible for conducting business transactions for the Bank. Alternatively, the Bank may obtain independent validation by an outside party qualified to make such determinations. Validations shall be done periodically, commensurate with the risk associated with the use of the model, or as frequently as required by FHFA.

(2) The results of such independent validations shall be reviewed by the Bank's board of directors and provided promptly to FHFA.

(d) *FHFA approval of Bank internal market-risk model or internal cash-flow model.* (1) Each Bank shall obtain FHFA approval of an internal market-risk model or an internal cash-flow model, including subsequent material adjustments to the model made by the Bank, prior to the use of any model. Each Bank shall make such adjustments to its model as may be directed by FHFA.

(2) A model and any material adjustments to such model that were approved by FHFA or the Federal Housing Finance Board shall be deemed to meet the requirements of paragraph (d)(1) of this section, unless such approval is revoked or amended by FHFA.

(e) *Frequency of calculations.* Each Bank shall perform any calculations or estimates required under this section at least quarterly, unless otherwise directed by FHFA, using the assets, liabilities, and off-balance sheet items (including derivative contracts and options) held by the Bank, and if applicable, the values of any such holdings, as of the close of business of the last business day of the calendar period for which the market risk capital requirement is being calculated.

### § 1277.6 Operational risk capital requirement.

(a) *General requirement.* Except as authorized under paragraph (b) of this section, each Bank's operational risk

capital requirement shall at all times equal 30 percent of the sum of the Bank's credit risk capital requirement and market risk capital requirement.

(b) *Alternative requirements.* With the approval of FHFA, each Bank may have an operational risk capital requirement equal to less than 30 percent but no less than 10 percent of the sum of the Bank's credit risk capital requirement and market risk capital requirement if:

(1) The Bank provides an alternative methodology for assessing and quantifying an operational risk capital requirement; or

(2) The Bank obtains insurance to cover operational risk from an insurer acceptable to FHFA and on terms acceptable to FHFA.

### § 1277.7 Limits on unsecured extensions of credit; reporting requirements.

(a) *Unsecured extensions of credit to a single counterparty.* A Bank shall not extend unsecured credit to any single counterparty (other than a GSE described in and subject to the requirements of paragraph (c) of this section) in an amount that would exceed the limits of this paragraph (a). If a third-party provides an irrevocable, unconditional guarantee of repayment of a credit (or any part thereof), the third-party guarantor may be considered the counterparty for purposes of calculating and applying the unsecured credit limits of this section with respect to the guaranteed portion of the transaction.

(1) *General limits.* All unsecured extensions of credit by a Bank to a single counterparty that arise from the Bank's on- and off-balance sheet and derivative transactions (but excluding the amount of sales of federal funds with a maturity of one day or less and sales of federal funds subject to a continuing contract) shall not exceed the product of the maximum capital exposure limit applicable to such counterparty, as determined in accordance with the following Table 1 to this section, multiplied by the lesser of:

(i) The Bank's total capital; or

(ii) The counterparty's Tier 1 capital, or if Tier 1 capital is not available, total capital (in each case as defined by the counterparty's principal regulator) or some similar comparable measure identified by the Bank.

(2) *Overall limits including sales of overnight federal funds.* All unsecured extensions of credit by a Bank to a single counterparty that arise from the Bank's on- and off-balance sheet and derivative transactions, including the amounts of sales of federal funds with a maturity of one day or less and sales of federal funds subject to a continuing contract, shall not exceed twice the limit calculated pursuant to paragraph (a)(1) of this section.

(3) *Limits for certain obligations issued by state, local, or tribal governmental agencies.* The limit set forth in paragraph (a)(1) of this section, when applied to the marketable direct obligations of state, local, or tribal government units or agencies that are excluded from the prohibition against investments in whole mortgage loans or other types of whole loans, or interests in such loans, by §1267.3(a)(4)(iii) of this chapter, shall be calculated based on the Bank's total capital and the internal credit rating assigned to the particular obligation, as determined in accordance with paragraph (a)(4) of this section. If a Bank owns series or classes of obligations issued by a particular state, local, or tribal government unit or agency, or has extended other forms of unsecured credit to such entity falling into different rating categories, the total amount of unsecured credit extended by the Bank to that government unit or agency shall not exceed the limit associated with the highest-rated obligation issued by the entity and actually purchased by the Bank.

(4) *Bank determination of applicable maximum capital exposure limits.* A Bank shall determine the maximum capital exposure limit for each counterparty by assigning the counterparty to the appropriate FHFA Credit Rating category of Table 1 to this section, based upon the Bank's internal credit rating for that counterparty. In all cases, a Bank shall use the same FHFA Credit Rating category for a particular counterparty when determining its unsecured credit limit under this section as it would use under Table 2 to §1277.4 for determining the risk-based capital

charge for obligations issued by that counterparty under § 1277.4(f).

TABLE 1 TO § 1277.7—MAXIMUM LIMITS ON UNSECURED EXTENSIONS OF CREDIT TO A SINGLE COUNTER-PARTY BY FHFA CREDIT RATING CATEGORY

| FHFA Credit Rating | Maximum capital exposure limit (in percent) |
|---|---|
| FHFA 1 | 15 |
| FHFA 2 | 14 |
| FHFA 3 | 9 |
| FHFA 4 | 3 |
| FHFA 5 and Below | 1 |

(b) *Unsecured extensions of credit to affiliated counterparties*—(1) *In general.* The total amount of unsecured extensions of credit by a Bank to a group of affiliated counterparties that arise from the Bank's on- and off-balance sheet and derivative transactions, including sales of federal funds with a maturity of one day or less and sales of federal funds subject to a continuing contract, shall not exceed 30 percent of the Bank's total capital.

(2) *Relation to individual limits.* The aggregate limits calculated under paragraph (b)(1) of this section shall apply in addition to the limits on extensions of unsecured credit to a single counterparty imposed by paragraph (a) of this section.

(c) *Special limits for certain GSEs.* Unsecured extensions of credit by a Bank that arise from the Bank's on- and off-balance sheet and derivative transactions, including from the purchase of any debt or from any sales of federal funds with a maturity of one day or less and from sales of federal funds subject to a continuing contract, with a GSE that is operating with capital support or another form of direct financial assistance from the United States government that enables the GSE to repay those obligations, shall not exceed the Bank's total capital.

(d) *Extensions of unsecured credit after reduced rating.* If a Bank revises its internal credit rating for any counterparty or obligation, it shall assign the counterparty or obligation to the appropriate FHFA Credit Rating category based on the revised rating. If the revised internal rating results in a lower FHFA Credit Rating category, then any subsequent extensions of unsecured credit shall comply with the maximum capital exposure limit applicable to that lower rating category, but a Bank need not unwind or liquidate any existing transaction or position that complied with the limits of this section at the time it was entered. For purposes of this paragraph (d), the renewal of an existing unsecured extension of credit, including any decision not to terminate any sales of federal funds subject to a continuing contract, shall be considered a subsequent extension of unsecured credit that can be undertaken only in accordance with the lower limit.

(e) *Reporting requirements*—(1) *Total unsecured extensions of credit.* Each Bank shall report monthly to FHFA the amount of the Bank's total unsecured extensions of credit arising from on- and off-balance sheet and derivative transactions to any single counterparty or group of affiliated counterparties that exceeds 5 percent of:

(i) The Bank's total capital; or

(ii) The counterparty's, or affiliated counterparties' combined, Tier 1 capital, or if Tier 1 capital is not available, total capital (in each case as defined by the counterparty's principal regulator), or some similar comparable measure identified by the Bank.

(2) *Total secured and unsecured extensions of credit.* Each Bank shall report monthly to FHFA the amount of the Bank's total secured and unsecured extensions of credit arising from on- and off-balance sheet and derivative transactions to any single counterparty or group of affiliated counterparties that exceeds 5 percent of the Bank's total assets.

(3) *Extensions of credit in excess of limits.* A Bank shall report promptly to FHFA any extension of unsecured credit that exceeds any limit set forth in paragraph (a), (b), or (c) of this section. In making this report, a Bank shall provide the name of the counterparty or group of affiliated counterparties to which the excess unsecured credit has been extended, the dollar amount of the applicable limit which has been exceeded, the dollar amount by which the Bank's extension of unsecured credit exceeds such limit, the dates for which the Bank was not in compliance with

the limit, and a brief explanation of the circumstances that caused the limit to be exceeded.

(f) *Measurement of unsecured extensions of credit*—(1) *In general.* For purposes of this section, unsecured extensions of credit will be measured as follows:

(i) For on-balance sheet transactions (other than a derivative transaction addressed by paragraph (f)(1)(iii) of this section), an amount equal to the sum of the amortized cost of the item plus net payments due the Bank. For any such item carried at fair value where any change in fair value would be recognized in the Bank's income, the Bank shall measure the unsecured extension of credit based on the fair value of the item, rather than its amortized cost;

(ii) For off-balance sheet transactions, an amount equal to the credit equivalent amount of such item, calculated in accordance with §1277.4(h); and

(iii) For derivative transactions not cleared by a derivatives clearing organization, an amount equal to the sum of:

(A) The Bank's current and potential future credit exposures under the derivative contract, where those values are calculated in accordance with §1277.4(i)(1) and (2) respectively, reduced by the amount of any collateral held by or on behalf of the Bank against the credit exposure from the derivative contract, as allowed in accordance with the requirements of §1277.4(e)(2) and (3); and

(B) The value of any collateral posted by the Bank that exceeds the current amount owed by the Bank to its counterparty under the derivative contract, where the collateral is held by a person or entity other than a third-party custodian that is acting under a custody agreement that meets the requirements of §1221.7(c) and (d) of this chapter.

(2) *Status of debt obligations purchased by the Bank.* Any debt obligation or debt security (other than mortgage-backed or other asset-backed securities or acquired member assets) purchased by a Bank shall be considered an unsecured extension of credit for the purposes of this section, except for:

(i) Any amount owed the Bank against which the Bank holds collateral in accordance with §1277.4(f)(2)(ii); or

(ii) Any amount which FHFA has determined on a case-by-case basis shall not be considered an unsecured extension of credit.

(g) *Exceptions to unsecured credit limits.* The following items are not subject to the limits of this section:

(1) Obligations of, or guaranteed by, the United States;

(2) A derivative transaction accepted for clearing by a derivatives clearing organization, including collateral posted by the Bank with the derivatives clearing organization associated with that derivative transaction;

(3) Any extension of credit from one Bank to another Bank; and

(4) A bond issued by a state housing finance agency, if the Bank documents that the obligation in question is:

(i) Principally secured by high quality mortgage loans or high quality mortgage-backed securities (or funds derived from payments on such assets or from payments from any guarantees or insurance associated with such assets);

(ii) The most senior class of obligation, if the bond has more than one class; and

(iii) Determined by the Bank to be rated no lower than FHFA 2, in accordance with this section.

### §1277.8 Reporting requirements.

Each Bank shall report information related to capital and other matters addressed by this part in accordance with instructions provided in the Data Reporting Manual issued by FHFA, as amended from time to time.

## Subpart C—Bank Capital Stock

### §1277.20 Classes of capital stock.

The authorized capital stock of a Bank shall consist of the following instruments:

(a) Class A stock, which shall:

(1) Have a par value as determined by the board of directors of the Bank and stated in the Bank's capital plan;

(2) Be issued, redeemed, and repurchased only at its stated par value; and

(3) Be redeemable in cash only on six-months written notice to the Bank.

(b) Class B stock, which shall:

(1) Have a par value as determined by the board of directors of the Bank and stated in the Bank's capital plan;

(2) Be issued, redeemed, and repurchased only at its stated par value;

(3) Be redeemable in cash only on five-years written notice to the Bank; and

(4) Confer an ownership interest in the retained earnings, surplus, undivided profits, and equity reserves of the Bank.

(c) Any one or more subclasses of Class A or Class B stock, each of which may have different rights, terms, conditions, or preferences as may be authorized in the Bank's capital plan, provided, however, that each subclass of stock shall have all of the characteristics of its respective class, as specified in paragraph (a) or (b) of this section.

### § 1277.21 Issuance of capital stock.

A Bank may issue either one or both classes of its capital stock (including subclasses), as authorized by §1277.20, and shall not issue any other class of capital stock. A Bank shall issue its stock only to its members, or to former members to the extent those institutions are required to maintain a minimum stock investment for existing activities under the capital plan, and only in book-entry form. The Bank shall act as its own transfer agent. All capital stock shall be issued in accordance with the Bank's capital plan.

### § 1277.22 Minimum investment in capital stock.

(a) A Bank shall require each member to maintain a minimum investment in the capital stock of the Bank, both as a condition to becoming and remaining a member of the Bank and as a condition to transacting business with the Bank or obtaining advances and other services from the Bank. The amount of the required minimum investment shall be determined in accordance with the Bank's capital plan and shall be sufficient to ensure that the Bank remains in compliance with its regulatory capital requirements. A Bank shall require each member to maintain its minimum investment for as long as the institution remains a member of the Bank and shall require each member and former member to maintain its minimum investment for as long as the institution engages in any activity with the Bank for which the capital plan requires the institution to maintain capital stock.

(b) A Bank may establish the minimum investment as a percentage of the total assets of an institution, as a percentage of the advances outstanding to that institution, as a percentage of any other business activity conducted with the institution, on any other basis that is approved by the Director, or any combination thereof.

(c) A Bank may require that the minimum investment requirement be satisfied through the purchase of either Class A or Class B stock, or through the purchase of one or more combinations of Class A and Class B stock that have been authorized by the board of directors of the Bank in its capital plan. A Bank, in its discretion, may establish a lower minimum investment to the extent the requirement is met through investment in Class B stock than if the requirement is met through investment in Class A stock, provided that such reduced investment provides sufficient capital for the Bank to remain in compliance with its regulatory capital requirements.

(d) Each member, or if applicable, former member, of a Bank shall at all times maintain an investment in the capital stock of the Bank in an amount that is sufficient to satisfy the minimum investment required under the Bank's capital plan.

### § 1277.23 Dividends.

(a) *In general.* A Bank may pay dividends on Class A or Class B stock, including any subclasses of such stock, only out of previously retained earnings or current net earnings, and shall declare and pay dividends only as provided by its capital plan. The capital plan may establish different dividend rates or preferences for each class or subclass of stock, which may include a dividend that tracks the economic performance of certain Bank assets, such as Acquired Member Assets. A member, including a member that has provided

the Bank with a notice of intent to withdraw from membership, or a former member shall be entitled to receive any dividends that a Bank declares on its capital stock while such institution owns the stock.

(b) *Limitation on payment of dividends.* In no event shall a Bank declare or pay any dividend on its capital stock if after doing so the Bank would fail to meet any of its regulatory capital requirements, nor shall a Bank that is not in compliance with any of its regulatory capital requirements declare or pay any dividend on its capital stock.

### § 1277.24 Liquidation, merger, or consolidation.

The respective rights of the Class A and Class B stockholders, in the event that the Bank is liquidated, merged, or otherwise consolidated with another Bank, shall be determined in accordance with the capital plan of the Bank, provided, however, that nothing in the capital plan shall be construed to limit any rights or authority granted FHFA under the Bank Act or the Safety and Soundness Act to issue any regulation or order or to take any other action that may affect or otherwise alter the rights or privileges of stock holders in a liquidation, merger, or consolidation of a Bank.

### § 1277.25 Transfer of capital stock.

A Bank in its capital plan may allow a member or former member to transfer any excess stock to a member of that Bank or to an institution that has been approved for membership in that Bank and that has satisfied all conditions for becoming a member, other than the purchase of the minimum amount of Bank stock that it is required to hold as a condition of membership. Any such stock transfers shall be at par value and shall be effective upon being recorded on the appropriate books and records of the Bank. The Bank may, in its capital plan, require that the transfer be approved by the Bank before such transfer can occur.

### § 1277.26 Redemption and repurchase of capital stock.

(a) *Redemption.* (1) A member or former member may have its stock in a Bank redeemed by providing written notice to the Bank in accordance with this section. A member or former member shall provide six-months written notice for Class A stock and five-years written notice for Class B stock. The notice shall indicate the number of shares of Bank stock that are to be redeemed. No more than one notice of redemption may be outstanding at one time for the same shares of Bank stock. At the expiration of the applicable notice period, the Bank shall pay to the member or other institution holding the stock the stated par value of that stock in cash.

(2) A member may cancel a notice of redemption by so informing the Bank in writing, and the Bank may impose a fee (to be specified in its capital plan) with respect to any cancellation of a pending notice of redemption. A request by a member (whose membership has not been terminated) to redeem specific shares of stock shall automatically be cancelled if the Bank is prevented from redeeming the member's stock by paragraph (c) of this section within five business days from the end of the expiration of the applicable redemption notice period because the member would fail to maintain its minimum investment in the stock of the Bank after such redemption. The automatic cancellation of a member's redemption request shall have the same effect as if the member had cancelled its notice to redeem stock prior to the end of the redemption notice period, and a Bank may impose a fee (to be specified in its capital plan) for automatic cancellation of a redemption request.

(3) A Bank shall not be obligated to redeem its capital stock other than in accordance with this paragraph.

(b) *Repurchase.* A Bank, in its discretion and without regard to the applicable redemption periods, may repurchase excess stock in accordance with the capital plan of that Bank. A Bank undertaking such a stock repurchase at its own initiative shall provide reasonable notice prior to repurchasing any excess stock, with the period of such notice to be specified in the Bank's capital plan, and shall pay the stated par value of that stock in cash. A member's submission of a notice of intent to withdraw from membership, or its

termination of membership in any other manner, shall not, in and of itself, cause any Bank stock to be deemed excess stock for purposes of this section.

(c) *Limitation.* In no event may a Bank redeem or repurchase any stock if, following the redemption or repurchase, the Bank would fail to meet its regulatory capital requirements, or if the member or former member would fail to maintain its minimum investment in the stock of the Bank, as required by §1277.22.

### §1277.27 Other restrictions on the repurchase or redemption of Bank stock.

(a) *Capital impairment.* A Bank may not redeem or repurchase any capital stock without the prior written approval of the Director if the Director or the board of directors of the Bank has determined that the Bank has incurred or is likely to incur losses that result in or are likely to result in charges against the capital of the Bank. This prohibition shall apply even if a Bank is currently in compliance with its regulatory capital requirements, and shall remain in effect for however long the Bank continues to incur such charges or until the Director determines that such charges are not expected to continue.

(b) *Bank discretion to suspend redemption.* A Bank, upon the approval of its board of directors, or of a subcommittee thereof, may suspend redemption of stock if the Bank reasonably believes that continued redemption of stock would cause the Bank to fail to meet its regulatory capital requirements, would prevent the Bank from maintaining adequate capital against a potential risk that may not be adequately reflected in its regulatory capital requirements, or would otherwise prevent the Bank from operating in a safe and sound manner. A Bank shall notify the Director in writing within two business days of the date of the decision to suspend the redemption of stock, providing the reasons for the suspension and the Bank's strategies and time frames for addressing the conditions that led to the suspension. The Director may require the Bank to re-institute the redemption of stock. A Bank shall not repurchase any stock without the written permission of the Director during any period in which the Bank has suspended redemption of stock under this paragraph.

## Subpart D—Bank Capital Plans

### §1277.28 Bank capital plans.

Each Bank shall have in place a capital plan approved by the Bank's board of directors and the Director. The capital plan shall include, at a minimum, provisions addressing the following matters:

(a) *Minimum investment.* (1) The capital plan shall require each member, and if applicable each former member, to purchase and maintain a minimum investment in the capital stock of the Bank and prescribe the manner for calculating the minimum investment, in accordance with §1277.22.

(2) The capital plan shall specify the amount and class (or classes) of Bank stock that an institution is required to own in order to become and remain a member of the Bank, and to obtain advances from, or to engage in other business transactions with, the Bank. If a Bank requires that the minimum investment be satisfied through the purchase of one or more combinations of Class A and Class B stock, the authorized combinations of stock shall be specified in the capital plan, which shall afford the option of satisfying the minimum investment through the purchase of any such combination of stock.

(3) The capital plan shall require the board of directors of the Bank to monitor and, as necessary, to adjust, the minimum investment to ensure that outstanding stock remains sufficient for the Bank to comply with its regulatory capital requirements. The plan shall require each member or, where required by the plan, former member, to comply promptly with any adjusted minimum investment established by the board of directors of the Bank, but may allow a reasonable time to do so and may allow a reduction in outstanding business with the Bank as an alternative to purchasing additional stock.

(b) *Classes of capital stock.* The capital plan shall specify the class or classes of

stock (including subclasses, if any) that the Bank will issue, and shall establish the par value, rights, terms, and preferences associated with each class (or subclass) of stock. A Bank may establish preferences relating to, but not limited to, the dividend, voting, or liquidation rights for each class or subclass of Bank stock. Any voting preferences established by the Bank pursuant to § 1261.6 of this chapter shall expressly state the voting rights of each class of stock with regard to the election of Bank directors. The capital plan shall provide that the owners of the Class B stock own the retained earnings, surplus, undivided profits, and equity reserves of the Bank, but shall have no right to receive any portion of those items, except through declaration of a dividend or capital distribution approved by the board of directors or through the liquidation of the Bank.

(c) *Dividends.* The capital plan shall establish the manner in which the Bank will pay dividends, if any, on each class or subclass of stock, and shall provide that the Bank may not declare or pay any dividends if it is not in compliance with any regulatory capital requirement or if after paying the dividend it would not be in compliance with any regulatory capital requirement.

(d) *Stock transactions.* The capital plan shall establish the criteria for the issuance, redemption, repurchase, transfer, and retirement of stock issued by the Bank. The capital plan also:

(1) Shall provide that the Bank may not issue stock other than in accordance with § 1277.21;

(2) Shall provide that the stock of the Bank may be issued only to and held only by the members of that Bank, and by former members to the extent necessary to meet requirements set forth in a capital plan;

(3) Shall specify whether the stock of the Bank may be transferred, as allowed under § 1277.25, and, if such transfer is allowed, shall specify the procedures to effect such transfer, and provide that the transfer shall be undertaken only in accordance with § 1277.25;

(4) Shall specify that the stock of the Bank may be traded only among the Bank and its members, and former members;

(5) May provide for a minimum investment based on investment in Class B stock that is lower than a minimum investment based on investment in Class A stock, provided that the level of investment is sufficient for the Bank to comply with its regulatory capital requirements;

(6) Shall specify the fee, if any, to be imposed upon cancellation of a request to redeem Bank stock or upon cancellation of a request to withdraw from membership; and

(7) Shall specify the period of notice that the Bank will provide before the Bank, on its own initiative, determines to repurchase any excess Bank stock.

(e) *Termination of membership.* The capital plan shall address the manner in which the Bank will provide for the disposition of its capital stock that is held by institutions that terminate their membership, and the manner in which the Bank will liquidate claims against such institutions, including claims resulting from prepayment of advances prior to their stated maturity.

### § 1277.29 Amendments to a Bank's capital plan.

(a) *In general.* A Bank's board of directors shall approve any amendments to the Bank's capital plan and submit such amendment to the Director for approval. No such amendment may take effect until it has been approved by the Director.

(b) *Submission of amendments for approval.* Any request for approval of capital plan amendments should be submitted to the Deputy Director for the Division of Federal Home Loan Bank Regulation and should include the following:

(1) The name of the Bank making the request and the name, title, and contact information of the official filing the request;

(2) The name, title and contact information of the staff member(s) whom FHFA may contact for additional information;

(3) A certification by an executive officer of the Bank with knowledge of the facts that the representations made in the request are accurate and complete.

The following form of certification may be used: ''I hereby certify that the statements contained in the submission are true and complete to the best of my knowledge. [Name and Title]'';

(4) A written, narrative description of the proposed amendments to the Bank's capital plan and a discussion of the Bank's reasons for the proposed changes;

(5) The amended capital plan as approved by the Bank's board of directors;

(6) A version of the Bank's capital plan showing all proposed changes to its previously approved capital plan;

(7) Resolutions of the Bank's board of directors:

(i) Approving the proposed capital plan amendments; and

(ii) Authorizing the filing of the application for approval of the amendments and concurring in substance with the supporting documentation provided;

(8) An opinion of counsel demonstrating that the proposed amendments comply with the Bank Act, FHFA regulations and any other applicable law or regulation. If the amendments would be identical in substance to provisions approved for other Banks' capital plans, a Bank's legal analysis may reference the other capital plans that contain the provisions in question;

(9) An analysis of the effect of the proposed amendments, if any, on the Bank's capital levels and the Bank's ability to meet its regulatory capital requirements;

(10) *Pro forma* financial statements from the end of the quarter immediately prior to the date of submission of the request for approval through at least the end of the next two years, showing the impact of the proposed changes, if any, on capital levels; and

(11) A discussion of and an explanation for changes to the Bank's strategic plan, if any, which may be related to the capital plan amendments.

(c) *FHFA consideration of the amendment.* The Director may approve any amendment to a Bank's capital plan as submitted or may condition approval on the Bank's compliance with certain stated conditions.

A merger of Banks under the authority of § 1278.2 shall require a written merger agreement that:

(iv) An event occurred subsequent to the members' vote that would have a significant adverse impact on the future viability of the Continuing Bank.

### § 1278.4 Merger application.

(a) *Contents of application.* Any two or more Banks that wish to merge shall submit to FHFA a merger application that addresses all material aspects of the proposed merger. As provided in

§ 1202.8 of this chapter, a Bank may submit separately any portions of the application that it believes contain confidential or privileged trade secrets or commercial or financial information, which portions will be handled in accordance with FHFA's Freedom of Information Act regulations set forth in part 1202 of this chapter. The application shall include, at a minimum, the following:

(1) A written statement that includes—

(i) A summary of the material features of the proposed merger;

(ii) The reasons for the proposed merger;

(iii) The effect of the proposed merger on the Constituent Banks and their members;

(vi) If not addressed by the merger agreement, the Banks' proposal for the ultimate size and composition of the board of directors for the Continuing Bank and their plan for reducing the board to its ultimate size and composition, as well as the names of the persons proposed to serve as directors and senior executive officers of the Continuing Bank immediately after the merger;

(7) Pro forma Financial Statements for the Continuing Bank as of the date of the most recent statement of condition supplied under paragraph (a)(6) of this section, and forecasted pro forma Financial Statements for each of at least two years following such date.

(b) *Additional information.* FHFA may require the Constituent Banks to submit any additional information FHFA deems necessary to evaluate the proposed merger. If FHFA has determined a merger application to be complete as provided in paragraph (c) of this section, FHFA may require the Constituent Banks to submit additional information only with respect to matters derived from or prompted by the materials already submitted, or matters of a material nature that were not reasonably apparent previously, including matters concealed by the Constituent Banks or relating to developments that arose after the determination of completeness. If the Constituent Banks fail to provide the additional information in a timely manner, the Director may deem the failure to provide the required information as grounds to deny the application.

(c) *Completion of application.* Within 30 days of the receipt of a merger application, FHFA shall determine whether the application is complete and whether FHFA has all information necessary for the Director to evaluate the proposed merger.

(1) If FHFA determines that the application is complete and that it has all information necessary to evaluate the proposed merger, it shall so inform the Constituent Banks in writing.

(2) If FHFA determines that the application is incomplete, or that it requires additional information in order to evaluate the application, it shall so inform the Constituent Banks in writing, and shall specify the number of days within which the Constituent Banks must provide any additional information or materials. Within 15 days of receipt of the additional information or materials, FHFA shall inform the Constituent Banks in writing whether the merger application is complete.

### § 1278.5 Approval by Director.

(a) *Standards.* In determining whether to approve a merger of Banks under the authority of § 1278.2, the Director shall take into consideration the financial and managerial resources of the Constituent Banks, the future prospects of the Continuing Bank, and the effect of the proposed merger on the safety and soundness of the Continuing Bank and the Bank system.

(b) *Determination by Director.* After FHFA determines that a merger application is complete, as provided in § 1278.4(c), the Director shall, within 30 days, either approve or deny the merger application. An approval of a merger application may include any conditions the Director determines to be appropriate, and shall in all cases be conditioned on each Constituent Bank demonstrating that it has obtained its members' ratification of the merger agreement in accordance with the requirements of § 1278.6 by submitting to FHFA:

(1) A certified copy of the members' resolution ratifying the merger agreement, on which the members cast their votes; and

(2) A certification of the member vote from the Bank's corporate secretary or from an independent third party.

(c) *Notice.* If the Director approves the merger application, FHFA shall provide written notice of the approval and any conditions to each Constituent Bank, as well as to each other Bank and the Office of Finance. If the Director denies the merger application, FHFA shall provide written notice of the denial to each Constituent Bank, as well as to each other Bank and the Office of Finance, and the notice to the Constituent Banks shall include a statement of the reasons for the denial.

### § 1278.6 Ratification by Bank Members.

(a) *Requirements for member vote.* No merger of Banks under the authority of § 1278.2 may be consummated unless a merger agreement meeting the requirements of § 1278.3 has been ratified by the affirmative vote of the members of each Constituent Bank in a voting process that meets the following requirements:

(1) *Notice of vote.* Each Constituent Bank shall submit the authorized merger agreement to its members for ratification by delivering to each institution that was a member as of the Record Date—

(i) A ballot that permits the member to vote for or against the ratification of the merger agreement, or to abstain from such vote; and

(ii) A Disclosure Statement that establishes a closing date for the Bank's receipt of completed ballots that is no earlier than 30 days after the date that the ballot and Disclosure Statement are delivered to its members.

(2) *Voting rights and requirements.* In the vote to ratify the merger agreement, each member of each Constituent Bank shall be entitled to cast one vote for each share of Bank stock that the member was required to own as of the Record Date, provided that the number of votes that any member may cast shall not exceed the average number of shares of Bank stock required to be held by all members of that Bank, calculated on a district-wide basis, as of the Record Date. A member must cast all of its votes either for or against the ratification of the merger agreement, or may abstain

with respect to all of its votes. Each member's vote shall be made by resolution of its governing body, either authorizing the specific vote, or delegating to an individual the authority to vote.

(3) *Determination of result.* No Constituent Bank shall review any ballot until after the closing date established in the Disclosure Statement or include in the tabulation any ballot received after the closing date. A Constituent Bank shall tabulate the votes cast immediately after the closing date. The members of a Constituent Bank shall be considered to have ratified a merger agreement if a majority of votes cast in the election have been cast in favor of the ratification of the merger agreement. The Constituent Bank, or the Continuing Bank, as appropriate, shall retain all ballots received for at least two years after the date of the election, and shall not disclose how any member voted.

(4) *Notice of result.* Within 10 days of the closing date, a Constituent Bank shall deliver to its members, to each Constituent Bank with which it proposes to merge, and to FHFA a statement of—

(i) The total number of eligible votes;

(ii) The number of members voting in the election; and

(iii) The total number of votes cast both for and against ratification of the merger agreement, as well as those that were eligible to be cast by members that abstained and by members who failed to return completed ballots.

(b) *False and misleading statements.* In connection with a proposed merger, no Bank, nor any director, officer, or employee thereof, shall make any statement, written or oral, which, at the time and in the light of the circumstances under which it is made, is false or misleading with respect to any material fact, or which omits to state any material fact necessary in order to make the statement not false or misleading, or necessary to correct any earlier statement that has become false or misleading.

### § 1278.7 Consummation of the merger.

(a) *Post-approval submissions.* After the members of each Constituent Bank have voted to ratify the merger agreement, the Constituent Banks shall submit to FHFA:

(1) Evidence acceptable to the Director that all conditions imposed in connection with the approval of the merger application under § 1278.5 have been satisfied, including the items specified in §§ 1278.5(b)(1) and (2); and

(2) An organization certificate for the Continuing Bank, in such form as FHFA may specify, that has been executed by the individuals who will constitute the board of directors of the Continuing Bank.

(b) *Acceptance of organization certificate.* Upon determining that all conditions have been satisfied and that the organization certificate meets the requirements of § 1278.7(a)(2), the Director shall accept the organization certificate of the Continuing Bank by endorsing thereon the date of acceptance and the Effective Date, which date shall be:

(1) The proposed Effective Date set forth in the merger agreement or, if the merger agreement expresses the proposed Effective Date in terms of a range of dates, a date within the applicable range of dates; or

(2) If the proposed Effective Date set forth in the merger agreement has passed, the earlier of:

(i) The 10th business day following the date of acceptance of the organization certificate by the Director; or

(ii) The last business day preceding any date specified in the merger agreement by which the merger agreement will terminate if the merger has not become effective.

(c) *Effectiveness of merger.* After the Director has accepted the organization certificate of the Continuing Bank as provided in § 1278.7(b), and as of the commencement of the Effective Date specified on such organization certificate:

(1) The Continuing Bank shall become or remain a body corporate (depending on the type of transaction) operating under such organization certificate with all powers granted to a Bank under the Bank Act;

(2) The Continuing Bank shall succeed to all rights, titles, powers, privileges, books, records, assets, and liabilities of the Constituent Banks, as provided in the merger agreement; and

(3) The corporate existence of any Constituent Bank that is not a Continuing Bank shall cease, unless otherwise provided in the merger agreement.

(d) *Notice.* After accepting the organization certificate for the Continuing Bank, the Director shall provide to the Constituent Banks, and to each other Bank and the Office of Finance, prompt written notice of that fact, which shall include the date of acceptance and the Effective Date of the organization certificate.
