CHAPTER 16
DETACHMENT OR ANNEXATION OF TERRITORY

DETACHMENT

40-1601. DISTRICTS SUBJECT TO DETACHMENT. A portion of the territory of an existing highway district, whether the district is situated wholly in one (1) county or in two (2) or more counties, may be detached from the highway district as provided in this chapter.

[40-1601, added 1985, ch. 253, sec. 2, p. 668.]

40-1602. PETITION. Whenever electors of a portion of the territory embraced in any existing highway district desire that their portion be detached from the highway district, a petition describing the territory by its boundaries, signed by not less than twenty-five (25) electors qualified to vote at a highway district election and residing in the territory sought to be detached shall be presented to the commissioners of the county where the greatest portion of the highway district is located.

[40-1602, added 1985, ch. 253, sec. 2, p. 668.]

40-1603. ORDER FOR HEARING UPON PETITION. Immediately upon its next regular meeting or at a special meeting called for that purpose, the commissioners shall by order or resolution fix a time and place for a hearing of the petition, which time shall not be less than twenty-one (21) days from and after the date of the first publication of the notice of the petition and of the hearing.

[40-1603, added 1985, ch. 253, sec. 2, p. 668.]

40-1604. NOTICE OF HEARING AND PETITION. The commissioners shall require their clerk to have a notice published in accordance with the provisions of section [40-206](#), Idaho Code, setting forth the fact that a petition has been filed with the commissioners. The notice shall state the name of the highway district from which territory is proposed to be detached; a concise general description of the territory so proposed to be detached and its boundaries; the current bonded and current warrant indebtedness of the district; a notice of the time and place when and where the petition will be heard by the commissioners; and notice that any elector qualified to vote at an election of the district may, prior to or at the time of the hearing, file with the clerk of the commissioners written objections to the proposed detachment of the territory.

[40-1604, added 1985, ch. 253, sec. 2, p. 668.]

40-1605. HEARING -- ORDER FOR ELECTION. At the time and place specified in the notice, the commissioners shall proceed to consider the petition and all written objections filed with them and shall hear all persons in relation to it. Upon the conclusion of the hearing, which may be continued from day to day, if the commissioners shall determine that the detachment from the high-

way district of the territory described in the petition is practicable and to the best interests of the territory and of the highway district, they shall enter an order directing that the question of the detachment of the territory be submitted to the qualified electors of the district at an election to be held within the district on a date authorized in section [34-106](#), Idaho Code, which is not less than thirty (30) days from and after the date of the order.

[40-1605, added 1985, ch. 253, sec. 2, p. 669; am. 2009, ch. 341, sec. 86, p. 1044.]

40-1606. ELECTION OFFICERS AND POLLING DISTRICTS -- NOTICE OF ELECTION. The county clerk shall appoint judges for the election; the commissioners shall by order establish polling places; and the county clerk shall provide notice of the election in accordance with the provisions of section [34-1406](#), Idaho Code. The notice shall state the date and purpose of the election, the boundaries of the territory proposed to be detached from the highway district, the places of holding the election, the various polling districts if the election is to be held in more than one (1) place, the qualifications required of voters, and the hours during which the polls shall be open.

[40-1606, added 1985, ch. 253, sec. 2, p. 669; am. 2009, ch. 341, sec. 87, p. 1045.]

40-1607. ELECTION PROCEDURE. The qualifications of voters at the elections, the conduct of elections, the counting of the votes, the return of the ballots, and the payment of expenses of the election shall be as prescribed in [title 34](#), Idaho Code.

[40-1607, added 1985, ch. 253, sec. 2, p. 669; am. 2009, ch. 341, sec. 88, p. 1045.]

40-1608. ORDER DECLARING TERRITORY DETACHED. If upon the canvass of the returns of the election the commissioners shall find that a majority of the votes cast in the district are in favor of the detachment from the highway district of the territory embraced in the proposal for detachment, they shall immediately make and enter an order declaring that territory detached from the district to the extent and for the purposes set forth.

[40-1608, added 1985, ch. 253, sec. 2, p. 669.]

40-1609. EFFECT OF DETACHMENT OF TERRITORY -- APPORTIONMENT OF INDEBTEDNESS. The detachment of territory from the district shall be deemed to relate only to the operations of the district subsequent to the order of detachment. Territory detached and all taxable property in that territory shall be and remain liable for the proportionate share of all bonded, warrant, and other indebtedness incurred by the district prior to the time of detachment. The proportionate share of the indebtedness of the district incurred prior to the order of detachment to be borne by the detached territory is hereby established and shall be determined and computed as follows:

(1) The highway district commissioners shall, at the meeting at which an order of detachment is made, compute the total aggregate market value for assessment purposes of the property within the district for the preceding year, and shall separately compute the total aggregate market value for as-

assessment purposes for the preceding year of all the property within the territory detached from the district.

(2) The highway district commissioners shall compute and determine as of the date of the order of detachment the cash and solvent credits owing to the district and the value of the highway equipment and other personal property owned by it at the time of the detachment of territory, all of which property shall be retained by the district.

(3) The proportion of the outstanding indebtedness of the district incurred prior to the withdrawal of territory for which the withdrawn territory shall be and remain liable is the proportion that the aggregate market value for assessment purposes of the property within the withdrawn territory bears to the market value for assessment purposes of the property within the entire highway district as shown by the assessment rolls of the preceding year, less credit for the proportionate share or interest of the withdrawn territory in the cash, solvent credits, and personal property of the district, that share being based upon the proportion that the market value for assessment purposes of the property within the detached territory for the preceding year bears to the market value for assessment purposes of the total property within the entire district for the year.

[40-1609, added 1985, ch. 253, sec. 2, p. 670.]

40-1610. DETACHED TERRITORY SUBJECT TO COUNTY LEVIES. After the detachment of any territory from a highway district the property within the detached portion shall be subject to taxation by the county for highway and other purposes to the same extent precisely as if it had never been included in the highway district.

[40-1610, added 1985, ch. 253, sec. 2, p. 670.]

40-1611. VALIDITY OF OUTSTANDING BONDS AND WARRANTS NOT AFFECTED. Nothing in this chapter shall be construed as impairing the validity of any bonds or warrants of a highway district outstanding at the time of the detachment of any territory.

[40-1611, added 1985, ch. 253, sec. 2, p. 670.]

Additional territory shall not be annexed to or included in the district unless annexation and inclusion shall be first approved by the commissioners of the county in which the area proposed to be annexed is located if it shall be deemed to be in the best public interest, and by the highway district commissioners of the existing district by resolution, entered on their minutes prior to the election on the question of annexation.
