63-4406. LIMITATIONS, AND OTHER PROVISIONS ON CREDITS AGAINST INCOME TAXES. (1) In addition to other needed rules, the state tax commission may promulgate rules prescribing:

(a) In the case of S corporations, partnerships, trusts, or estates, a method of attributing a credit under this chapter to the shareholders, partners or beneficiaries in proportion to their share of the income from the S corporation, partnership, trust, or estate; and

(b) The method by which the carryover of credits and the duty to recapture credits shall survive and be transferred in the event of reorganizations, mergers or liquidations.

(2) In the case of a unitary group of corporations filing a combined report under section [63-3027](#) (22), Idaho Code, credits against income tax provided by sections [63-4403](#), [63-4404](#), and [63-4405](#), Idaho Code, earned by one (1) member of the group but not used by that member may be used by another member of the group, subject to the limitation in subsection (3) of this section, instead of carried over. For a combined group of corporations, credit carried forward may be claimed by any member of the group unless the member or members who earned the credit are no longer included in the combined group.

(3) The total of all credits allowed by sections [63-4403](#), [63-4404](#), and [63-4405](#), Idaho Code, together with any credits carried forward under subsection (4) of this section shall not exceed the amount of tax due under sections [63-3024](#), [63-3025](#), and [63-3025A](#), Idaho Code, after allowance for all other credits permitted by this chapter and the Idaho income tax act.

(4) If the credits exceed the limitation under subsection (3) of this section, the excess amount may be carried forward for a period that does not exceed:

(a) The next fourteen (14) taxable years, in the case of credits allowed by sections [63-4403](#) and [63-4404](#), Idaho Code; or

(b) The next ten (10) taxable years, in the case of credits allowed by section [63-4405](#), Idaho Code.

63-4407. RECAPTURE. (1) In the event that any person to whom a tax credit allowed by section [63-4403](#), [63-4404](#) or [63-4405](#), Idaho Code, fails to meet the tax incentive criteria, the full amount of the credit shall be subject to recapture by the commission.

(2) If, during any taxable year, an investment in new plant is disposed of, or otherwise ceases to qualify with respect to the taxpayer, prior to the close of the recapture period, recapture of the credit allowed by sections [63-4403](#) and [63-4404](#), Idaho Code, shall be determined for such taxable year in

the same proportion and subject to the same provisions as an amount of credit required to be recaptured under section [63-3029B](#), Idaho Code.

(3) In the event that the employment level for which the credit allowed in section [63-4405](#), Idaho Code, is not maintained for the entire recapture period, recapture of the credit allowed in section [63-4405](#), Idaho Code, shall be determined for such taxable year in the same proportion as an amount of credit required to be recaptured under section [63-3029B](#), Idaho Code. This subsection shall not be construed to require that the required level of employment must be met by the same individual employees.

(4) Any amount subject to recapture is a deficiency in tax for the amount of the credit in the taxable year in which the disqualification first occurs and may be enforced and collected in the manner provided by the Idaho income tax act, provided however, that in lieu of the provisions of section [63-3068](#) (a), Idaho Code, the period of time within which the commission may issue a notice under section [63-3045](#), Idaho Code, in regard to an amount subject to recapture shall be the later of five (5) years after the end of the taxable year in which the project period ends or three (3) years after the end of the taxable year in which any amounts carried forward under section [63-4406](#), Idaho Code, expire.

[63-4407, added 2005, ch. 370, sec. 1, p. 1183; am. 2007, ch. 10, sec. 5, p. 18.]

63-4408. SALES AND USE TAX INCENTIVES -- REBATES -- RECAPTURE. (1) For calendar years beginning on January 1, 2006, and ending on December 31, 2030, subject to the limitations of this chapter, a taxpayer who has certified that the tax incentive criteria will be met within the project site shall be entitled to receive a rebate of twenty-five percent (25%) of all sales and use taxes imposed by [chapter 36, title 63](#), Idaho Code, and that the taxpayer or its contractors actually paid in regard to any property constructed, located or installed within the project site during the project period for that site.

(2) Upon filing of a written refund claim by the taxpayer entitled to the rebate, and subject to such reasonable documentation and verification as the commission may require, the rebate shall be paid by the commission as a refund allowable under section [63-3626](#), Idaho Code. A claim for rebate under this section must be filed on or before the last day of the third calendar year following the year in which the taxes sought to be rebated were paid or the right to the rebate is lost.

(3) Any rebate paid shall be subject to recapture by the commission:

(a) At one hundred percent (100%) in the event that the tax incentive criteria are not met at the project site during the project period;

(b) In the event that the property is not used, stored or otherwise consumed within the project site for a period of sixty (60) consecutive full months after the property was placed in service; or

(c) In the event that the employment required in section [63-4402](#) (2) (j), Idaho Code, is not maintained for sixty (60) consecutive full months from the date the project period ends.

Any recapture required by paragraph (b) or (c) of this subsection shall be in the same proportion as an amount of credit required to be recaptured under section [63-3029B](#), Idaho Code.

(4) Any recapture amount due under this section shall be a deficiency in tax for the period in which the disqualification first occurs for purposes of section [63-3629](#), Idaho Code, and may be enforced and collected in the manner provided by the Idaho sales tax act, provided however, that in

lieu of the provisions of section [63-3633](#), Idaho Code, the period of time within which the commission may issue a notice under section [63-3629](#), Idaho Code, in regard to an amount subject to recapture, shall be the later of five (5) years after the end of the taxable year, for income tax purposes, in which the project period ends.

(5) The rebate allowed by this section is limited to sales and use taxes actually paid by the taxpayer or its contractors for taxable property related to new plant and building facilities.

[63-4408, added 2005, ch. 370, sec. 1, p. 1184; am. 2006, ch. 314, sec. 5, p. 979; am. 2009, ch. 191, sec. 5, p. 625; am. 2020, ch. 243, sec. 5, p. 714.]

63-4409. ADMINISTRATION. (1) The commission shall enforce the provisions of this chapter and may prescribe, adopt, and enforce reasonable rules relating to the administration and enforcement of those provisions, including the promulgation of rules relating to information necessary to certify that the incentive criteria have been or will be met. For the purpose of carrying out its duties to enforce or administer the provisions of this chapter, the commission shall have the powers and duties provided by sections [63-3038](#), [63-3039](#), [63-3042](#) through [63-3067](#), [63-3068](#), [63-3071](#), [63-3074](#) through [63-3078](#) and [63-217](#), Idaho Code.

(2) Within thirty (30) days after filing form 89SE with the commission to notify of the intent to claim credits associated with the provisions of this chapter, a business entity shall provide a written notice of the filing to the department of commerce.
