Wherever the term "savings and loan association" is used in the Idaho Code, it shall include savings banks chartered under this act or associations doing business in this state pursuant to section [26-1815](#), Idaho Code.

In addition to the capital plan required to be submitted to the director by section [26-1812](#), Idaho Code, each mutual savings bank shall periodically revise its capital plan upon written request by the director. All capital plans are subject to the approval of the director. Either failing to maintain adequate capital or operating without an approved capital plan are both violations of this chapter and grounds for sanctions under [chapter 11, title 26](#), Idaho Code.

[26-1811, added 1997, ch. 310, sec. 3, p. 919.]

26-1812. CONVERSIONS. All conversions from one (1) form of charter to another issued by the department shall be approved in advance in writing by the director. 26-1813. MUTUAL TO STOCK CONVERSIONS. A mutual savings bank may change its form of organization to that of a stock savings bank by filing an application with the director.

As part of the application, the savings bank will include a plan of conversion, which the director may approve, with or without amendment, if it appears that:

(1) After conversion the savings bank will be in sound financial condition;

(2) The conversion will be fair and equitable to the members of the savings bank and no person whether member, employee or otherwise, will receive any inequitable gain or advantage by reason of the conversion;

(3) The savings bank services provided to the public by the savings bank will not be adversely affected by the conversion;

(4) The plan has been approved by a vote of two-thirds (2/3) of the board of directors of the savings bank;

(7) The plan provides a statement as to whether stockholders shall have preemptive rights to acquire additional or treasury shares of the savings bank.

The plan shall be submitted to the members, but only after it has been approved by the director. After lawful notice to the members of the savings bank and full and fair disclosure, the substance of the plan must be approved by a majority of the total votes that members of the savings bank are eligible and entitled to cast. The vote by the members may be in person or by proxy. Any votes by proxy must be specific to the plan and not a general proxy. Following the vote of the members, the results of the vote certified by an appropriate officer of the savings bank shall be filed with the director. The director shall then either approve or disapprove the requested change in corporate form. After approval, the director shall supervise the conversion process and shall ensure that the process is conducted lawfully and under the approved plan.
