

TITLE 33
EDUCATION

CHAPTER 27
PUBLIC LIBRARY DISTRICTS

33-2701. PURPOSE AND POLICY. It is hereby declared to be the policy of the state of Idaho, as a part of the provisions for public education, to promote the establishment and development of public library service for all the people of Idaho. By so declaring, the state acknowledges that the ability of its citizens to access information has a critical impact on the state's educational success, economic development, provision for an informed electorate, and overall quality of life. It is the purpose of this chapter to integrate, extend and add to existing library services and resources so that public library service may be available to all residents of the state from infancy through adulthood, beginning in the formative years and continuing for lifelong learning.

(1) A petition or petitions, signed by fifty (50) or more qualified electors residing in the proposed library district, giving the name of the proposed district, describing the boundaries thereof including a map prepared in a draftsman-like manner, and praying for the establishment of the territory therein described as a public library district, shall be filed with the clerk or clerks of the boards of county commissioners of the counties in which the proposed district is situated.

The petition or petitions shall be verified by at least one (1) qualified elector, which verification shall state that the affiant knows that all of the parties whose names are signed to the petition are qualified electors of the proposed district, and that their signatures to the petition were made in his presence. (5) No later than ten (10) days after the hearing, the board of county commissioners shall make an order thereon with or without modification, based upon the public hearing and their determination of whether the proposed library district would be in keeping with the declared public policy of the state of Idaho in regard to library districts as more particularly set forth in section [33-2701](#), Idaho Code, and, shall accordingly fix the boundaries and certify the name of the proposed district in the order granting the petition. The boundaries so fixed shall be the boundaries of the district after its establishment is completed as provided in this chapter.

If a majority of all votes cast be in the affirmative, the board of county commissioners shall, within seven (7) days after the returns have been canvassed, enter an order declaring the library district established, designating its name and boundaries including a map prepared in a draftsmanlike manner. The board of county commissioners shall transmit a copy of the order to the county recorder, county assessor, and the state tax commission in a timely manner, but no later than December 15, in the calendar year in which the election was held. 33-2706. ESTABLISHMENT OF LIBRARY DISTRICT EMBRACING MORE THAN ONE COUNTY. When the proposed library district embraces more than one (1) county, the petition and procedure for praying for the establishment of the district shall be carried forward in each county as though that county were the only county affected. Each petition shall designate the same home county for the proposed district.

The board of county commissioners of the home county shall advise with the board of county commissioners in any other county affected to the end that the election shall be held in each county on the same day. The board of county commissioners in each county shall proceed in the conduct of the election as though the election were being held only in that county as set forth in section [33-2705](#), Idaho Code. If this is the case, the board of county commissioners of the home county shall enter an order declaring the library district to be created, designating its name and boundaries, including a map prepared in a draftsmanlike manner. A certified copy of the order shall be transmitted by the board of county commissioners to the county recorder, the county assessor and the state tax commission in a timely manner, but no later than December 15, in the calendar year in which the election was held. The board of trustees of the library district may approve or disapprove the petition, and shall give notice of its decision to the board of county commissioners in each county affected.

(4) If the proposal has been approved by the majority herein required, the board of county commissioners of the home county of the district shall enter its order amending the boundaries of the district, including a map prepared in a draftsmanlike manner. A copy of this order shall be transmitted to the board of trustees of the library district, to each board of county commissioners of the county in which the district lies, and to the board of library commissioners.

(5) The board of trustees of the library shall transmit a certified copy of this order to the county recorder, the county assessor of the home county and to the state tax commission in a timely manner, but no later than December 15, in the calendar year in which the election was held.

33-2709. EXISTING TAX SUPPORTED CITY LIBRARIES MAY JOIN LIBRARY DISTRICTS. A true copy of the petition and the district library board's notice of approval or disapproval shall be sent to the city council. 33-2710. DETERMINATION OF THE PROPERTY PORTION OF THE BUDGET FOR CONSOLIDATED LIBRARIES -- DISTRICT AND DISTRICT -- DISTRICT AND CITY. (1) When two (2) district libraries have agreed to consolidate, the property tax portion of the new consolidated district's first budget will be determined in the following manner.

The property tax portion of each district's most recent annual certified budget will be added together. The resulting figure will be considered the dollar amount of property taxes on which to base the first annual budget for the new consolidated district. The provisions of section [63-802](#), Idaho Code, shall be applied to this dollar amount.

(2) When a tax supported city library has voted to consolidate with a district library, the property tax portion of the new consolidated district's first annual budget will be determined in the following manner.

The city library budget figure will be defined as the budget for library services, whether from the general fund and/or the library fund, in the city's annual certified budget in effect on the date the election was held, less fines, fees, and any other identifiable revenues from nontax sources, and any grants made directly to the city library board. The city library budget figure will be added to the property tax portion of the public library district's annual certified budget in effect on the date the election was held. The resulting figure will be considered the dollar amount of property taxes on which to base the first annual budget for the new consolidated district. The provisions of section [63-802](#), Idaho Code, shall be applied to this dollar amount.

If the city has established a dedicated library fund in effect on the date the election was held, those dollars will be removed from the city budget in the fiscal year in which the newly consolidated district begins to levy to provide library services.

(3) In any consolidation, the dollar amount of property taxes for the new consolidated district's budget shall not exceed six hundredths percent (.06%) of the market value for assessment purposes of all taxable property within the district.

(4) In any consolidation, the existing bonded debt of any district or districts shall not become the obligation of the proposed consolidated library district. The debt shall remain an obligation of the property which incurred the indebtedness.

33-2711. CONSOLIDATION OF LIBRARY DISTRICTS. When there are two (2) or more library districts, which have at least one (1) common boundary, the boards of trustees of the library districts, meeting together, may determine that it is in the best interest of library service that the districts be consolidated, as herein provided.

The boards of trustees shall jointly prepare a petition describing the boundaries of the existing library districts, the names of the existing library districts, and praying for the reorganization of the territory therein described as one (1) or more library districts to be known as the

".... (Name) Library District" and with boundaries as set forth in the petition.

The petition shall be signed by the chairpersons of the library boards upon majority approval of the respective boards involved in the consolidation.

The petition shall be forwarded to the clerk of the board of county commissioners in all counties affected, who shall verify the signatures, and shall file the petition. Thereupon, the board of county commissioners in all counties affected shall proceed with the hearing and resolution as outlined in section [33-2704](#), Idaho Code. Upon completion of the hearing, the board of county commissioners shall issue an order granting the petition.

In the order granting the petition of consolidation, the board of county commissioners in all counties affected shall certify the new boundaries and the name of the district.

A copy of the order shall be transmitted to the board of trustees of the library districts involved, and to the board of library commissioners.

Other notices required by law shall be filed by the board of trustees of the district, including a legal description and map of altered boundaries prepared in a draftsmanlike manner to be filed with the board(s) of county commissioners, the county recorder, the county assessor of the home county, the board of library commissioners, and the state tax commission in a timely manner, but no later than December 15, of the year in which consolidation takes place.

The board of county commissioners of the home county of the consolidated public library district shall within ten (10) days take action to reaffirm members of the board of trustees, or to appoint members of the board, who shall be chosen from the members of the boards initiating the consolidation. These trustees shall serve until the next annual election of trustees or until their successors are elected and qualified as in section [33-2715](#), Idaho Code. The board of trustees shall take the oath of office as outlined in section [33-2715](#), Idaho Code.

33-2711A. ADJUSTMENT OF BOUNDARY LINES BETWEEN EXISTING PUBLIC LIBRARY DISTRICTS. When the boards of two (2) public library districts having a common boundary determine that it is in the best interest of public library service that an adjustment of library district boundaries be made, this adjustment may be made using the following procedure.

The board of trustees shall jointly prepare a petition describing the boundaries of both the existing and proposed public library district, including maps prepared in a draftsmanlike manner, and the names of the public library districts, praying for the reorganization of the territory therein described.

The petition shall be signed by the chairperson of the library boards upon majority approval of the respective boards involved in the boundary adjustment.

The petition shall be forwarded to the clerk of the board(s) of county commissioners in all counties affected, who shall verify the signatures, and shall file the petition. Thereupon, the boards of county commissioners in all counties affected shall proceed with the hearing and resolution as out-

lined in section [33-2711](#), Idaho Code. Upon the completion of the hearing, the board of county commissioners shall issue an order granting the petition.

[33-2711A, added 1996, ch. 71, sec. 13, p. 225.]

33-2713. DISSOLUTION OF LIBRARY DISTRICT. A library district may be dissolved according to procedures followed in its original organization, but not earlier than four (4) years after the date of its establishment. The ballot shall contain the words "Shall (Name) Public Library District be dissolved--Yes" and "Shall (Name) Public Library District be dissolved--No," each followed by a box wherein a voter may express his choice by marking a cross "X". If the library district embraces territory in more than one (1) county, an election for its dissolution shall be deemed approved only if a majority of the votes cast in each such county were cast in the affirmative. If, upon the canvass of ballots, it is determined that the proposition has been approved, the board of county commissioners of the home county shall enter its order to that effect and transmit a copy of said order to the board of county commissioners in any other county affected, and said order shall by them be made a matter of record. When any library district is dissolved, all property and assets of the library district shall be disposed of by the board of county commissioners of the home county. Receipts from the sale of assets and all unpaid taxes, when collected, shall be first used to retire any indebtedness of the district. Any remainder shall be apportioned to the counties embraced in the library district in proportion to the assessed valuation of each which was included in the library district, and placed in the respective county general expense fund. If, after the application of the tax monies and sale proceeds, indebtedness remains, the board of county commissioners of the home county shall provide for the payment of the remaining indebtedness from special levies certified to each county in proportion to the assessed valuation of each which was included in the district. The tax shall be collected by each county and remitted to the home county for payment of the remaining indebtedness.
