# Adult son blames mom for everything wrong

DEAR ABBY: I have two sons in their 50s. My older son is kind, attentive and loving. The younger one, "Scott," is problematic. Both my boys were raised the same, although when they were in their early teens, I divorced their alcoholic father. At that point, I had to work three jobs to keep them fed and sheltered.

Scott constantly returns to the past and accuses me of never having time for him. He no longer speaks to me, which happens often and can last for long periods. His wrath is directed solely at me, and he accuses me of turning the rest of the family against him. He's negative and controlling, and the truth is, no one wants to be around him. In addition to posting hurtful things on social media, he now refers to me as the "ice maiden."

A close family member advised me to look up the definition of narcissism, and I was shocked to see the description of this disorder fits Scott perfectly. What I have read and researched about narcissism says "stay away" and only counseling will help. He refuses, saying it would be "too hurtful." Have I lost a son? Is this something I created? -- MOM OF A MONSTER

DEAR MOM: Please stop blaming yourself. If you have researched narcissism, you should already know that you didn't cause Scott's problem. Whether the estrangement is permanent, only time will tell. In the meantime, protect yourself by no longer trying to engage with him, and block his hurtful social media posts. You can't fix what's wrong with your son, and he won't try to fix himself because he's enjoying being the injured party.

DEAR ABBY: I have recently been diagnosed

DEAR ABBY

Jeanne Phillips

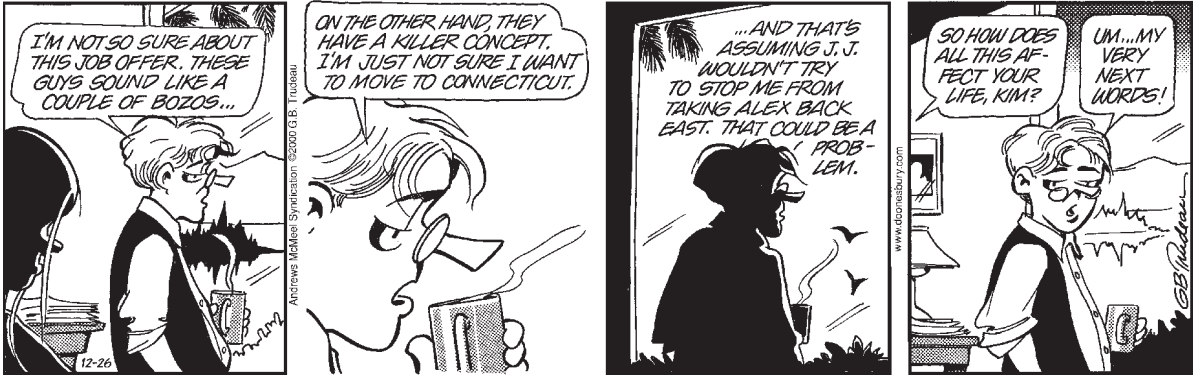

with breast cancer. Due to my DNA results, I will have a double mastectomy sometime in the next few months after I finish chemo. I want to celebrate that it was caught early by throwing a "Ta-ta to the Tatas" party complete with crazy wigs, a boob cake and a round of slippery nipple cocktails, a week or so before my surgery.

One of my friends thinks the idea is tacky and she's firmly against it. Abby, she can't even say the word "cancer" aloud; she has to whisper it. Am I wrong? IS it tacky to want to affirm life and flout both fear and death with over-the-top, tacky humor? This kind of humor is how I deal with serious problems. If I can mock the problem, I lessen its power. For me, it's like celebrating Dia de Los Muertos, but in this case, it's my breasts that I'm losing, not my life. What do you think? -- PARTY MOOD IN MONTANA

DEAR PARTY MOOD: I think you are a brave and strong woman, clearly much more so than your friend. You are dealing with a serious challenge in the healthiest way possible -- by facing it head-on. You deserve to be supported by your friends in the months to come, but the woman you have written about is not one of them. She isn't emotionally strong enough to accompany you on this journey. Don't blame her, but DO disinvite her. Bottoms up!

HOROSCOPE

Georgia Nicols

Nicols is a syndicated horoscope columnist.

Happy Birthday for Tuesday, Dec. 26, 2023:

You are a spontaneous, loving person who is a dependable partner. You are courageous and not afraid to push your ideas forward. You're very energetic. This has been a year of finalizing and wrapping up things for you. In 2024, you begin a fresh, new cycle! Get ready!

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

ARIES (March 21-April 19)

★★ Tread carefully today, because tension with parents and family members might arise due to today's Full Moon, which is taking place in the very part of your chart that deals with home and family. Oy vey. Fortunately, the Moon is also dancing with Jupiter, which is a feel-good influence. Tonight: Confusion.

TAURUS (April 20-May 20)

★★★ Be patient with others today. Don't take the bait. Because of the Full Moon energy today, it's easy to have silly squabbles that are unnecessary. Actually, with the Moon dancing with lucky Jupiter in your sign, you're happy to be with loved ones. You want to be helpful. Tonight: Check your finances.

GEMINI (May 21-June 20)

★★★ Financial quarrels or disputes about the ownership of something (or something you own) might mar your enjoyment of this day. Of course, today is a Full Moon, which is impacting both of your Money Houses. Something from behind the scenes will soften things. Tonight: Listen.

CANCER (June 21-July 22)

★★ The Moon is your ruler, and today the second Full Moon in your sign this year is taking place. You will feel this! This is why you might have difficulties with partners and close friends. Instead, enjoy groups and other friends who are happy to see you. Keep things light. Tonight: Check details.

LEO (July 23-Aug. 22)

★★★ This is a tricky day because the Full Moon today is hiding in your chart. This is why you might feel restless. Fortunately, the Moon is also dancing beautifully with Jupiter at the top of your chart, which means whatever happens, you look mahvelous, dahling. (You are loved.) Tonight: Disappointment?

VIRGO (Aug. 23-Sept. 22)

★★★ Relations with friends and groups might be a bit testy today because of the Full Moon energy. Likewise, you

might be short-tempered with your kids. Lighten up and "go along to get along" so that everyone can have a pleasant day, including you. Tonight: Be clear.

LIBRA (Sept. 23-Oct. 22)

★★ The Full Moon today takes place at the top of your chart, which will encourage friction with authority figures -- parents, bosses, VIPs and the police. Be courteous. Be cooperative. You don't have to "win." Do everyone a favor and do what you can to keep the peace. Tonight: Daydreams.

SCORPIO (Oct. 23-Nov. 21)

★★★ Slow down and take it easy, because this is an accident-prone day for you! Think before you speak or act. On the upside, potential travel plans sound thrilling and exciting. Ways to expand your world are almost at your fingertips. Lucky you. Tonight: Check your finances.

SAGITTARIUS (Nov. 22-Dec. 21)

★★★ Financial matters might come to a head today because of the Full Moon. (Disputes about a loan, who owns what, or who is responsible for what.) Take the high road. Resolve these issues with respect and courtesy. Meanwhile, relations with co-workers and groups are excellent. Tonight: Wishful thinking.

CAPRICORN (Dec. 22-Jan. 19)

★★ The Full Moon is opposite your sign today, which will create tension with spouses, partners and dear friends. Don't lose your cool. After all, these are the people you love. Sports, fun outings and playful times with kids will diffuse things. Tonight: Solitude.

AQUARIUS (Jan. 20-Feb. 18)

★★★ Be patient with co-workers today. Take it easy and relax if you can, because today's Full Moon not only can create tension with others, it might also aggravate your health. Or, possibly, issues related to a pet will come to a head. (The barking has to stop.) Tonight: Clarification.

PISCES (Feb. 19-March 20)

★★★ Parents must be patient with their kids today. Likewise, romantic partners must be patient with each other. The Full Moon energy can stir up trouble. Your best option is to socialize. Get out and have fun! See a sporting event, a movie or entertainment. Tonight: Pay attention.
