Baker Donelson is proud to be a different kind of ALFN member. Our 30 firm-wide practices include a robust Financial Services Department handling escalated consumer litigation and bankruptcy, compliance matters, as well as issues arising in the commercial and multi-family areas. Offering decades of experience, we defend default servicing firms when they face allegations of wrong-doing, and work closely with lending and servicing clients to find creative, cost- and time-effective solutions. We work with our award-winning Client Services Group to build client-specific platforms to manage large portfolios of litigation, and we are known for our ability to quickly resolve complicated legal issues. With our 140+ financial services attorneys across 22 offices, our attorneys know the courts, the issues, and the opposing counsel.

Kluever Law Group, LLC is a premier law firm provider whose attorneys offer a combined 120 years of real estate and creditor rights expertise. For over two decades, KLG has specialized in default legal services with a strong client-focused emphasis. Our diverse financial services background makes us an exceptional advocate and strategic partner for our clients. At KLG we pride ourselves on going above and beyond to serve our clients and understand that a “one size fits all” model is not in our clients’ best interests. When you choose KLG, you are choosing a partner who caters to your needs, risk cultures and business goals while ensuring you receive superior legal representation throughout the state of Illinois. A full-service litigation and default law firm, KLG represents financial institutions, banks, credit unions, and third parties in residential and commercial foreclosures, bankruptcies, litigations, evictions, creditors rights, 2nd mortgage defenses, and title curatives.

Provana's SaaS-based digital operating platform is the first of its kind, giving leaders control over process-intensive operations. We serve law firms, insurance companies, accounts receivable agencies and networked enterprises in the US market that are tightly regulated by the CFPB and other authorities. Built on decades of experience in machine learning, natural language processing and business process management, Provana helps customers manage sensitive interactions, analyze unstructured data, process personal information, and ensure compliance. Provana is backed by a NYC-based Fintech PE, most recently raising funds in November 2020. Learn more at www.provana.com.
