[59-1602, added 1977, ch. 307, sec. 16, p. 873.]

59-1603. CONFORMITY WITH CLASSIFIED POSITIONS. (1) To the extent possible, each nonclassified position in the executive department will be paid a salary or wage comparable to classified positions with similar duties, responsibilities, training, experience and other qualifications in consultation with the division of human resources. Vacation and sick leave accruals, but not holiday pay, shall be awarded retroactively, if necessary, to the date such employees become eligible for retirement system membership.

(2) To the extent possible, nonclassified state employees in the executive department reporting to the governor or a board or commission appointed by the governor shall conform with [chapter 53, title 67](#), Idaho Code, defining the state personnel system, in sections where nonclassified state employee personnel standards are expressly defined.

(3) To the extent possible, each nonclassified position in the legislative department will be paid a salary or wage comparable to classified positions with similar duties, responsibilities, training, experience and other qualifications.

(4) The supreme court shall determine the schedules of salary and compensation for all officers and employees of the judicial department that are not otherwise fixed by law. To the extent possible, the supreme court shall adopt schedules compatible with the state's accounting system. The judicial

department may also maintain personnel records and files under such system as is ordered by the supreme court.

(5) The state board of education shall determine the schedules of salary and compensation, and prescribe policies for overtime and compensatory time off from duty, for all officers, teaching staff, and employees of the state board of education as provided by law. To the extent possible, the state board of education shall adopt schedules and policies compatible with the state's accounting system. The state board of education may also maintain personnel records and files under a system of its own, if approved by the state controller.

(6) Members of the legislature, the lieutenant governor, other officers whose salaries are fixed by law, and members of part-time boards, commissions and committees shall be paid according to law.

(7) Any schedule of salary and compensation must be approved by the appointing authority and be communicated to the state controller in writing at least thirty (30) days in advance of the effective date of the schedule.

Exceptions to the two-thousand-dollar (\$2,000) limit provided in this section may be granted under extraordinary circumstances if approved in advance by the state board of examiners. Appointing authorities shall submit a report to the division of financial management and the legislative services office by October 1 on all awards granted in the preceding fiscal year.

Exceptions to the two-thousand-dollar (\$2,000) limit provided in this subsection may be granted in extraordinary circumstances if approved in advance by the state board of examiners. Department directors and the administrator of the division of human resources are authorized to seek legal remedies available, including deductions from an employee's accrued vacation funds, from an employee who resigns during the designated period of time after receipt of a recruitment or retention bonus.
